PROJECT SUPPORTThis program comprises all of the services that we provide for projects using the ioby platform. In addition to the use of our website and its tools, project leaders benefit from optional technical assistance from the ioby team in the form of workshops and one-on-one consultations on project planning and management, social media and online communications, participation in our digital storytelling project, and, most importantly, grassroots fundraising. This program also includes all aspects of the limited form of fiscal sponsorship that we offer to projects and management of necessary purchasing and/or funds disbursement after projects are fully funded, as well as subsequent reporting. At the end of 2016, over 1,000 projects have been successfully funded or are actively fundraising.

Form 990, Part III, Line 4b:

ONLINE PLATFORM This program is the functional heart of our organization and the core of our unique model, it enables most other aspects of our work. We design, build and maintain a web platform (ioby.org) focused on meeting the needs of the project leaders we serve and the donors that support their work. This platform is constantly evolving through iterations and enhanced by feedback from both project leaders and donors.
