Amendment to our Funds Availability Policy

Good news! Effective April 5, 2017, we've updated our funds availability policy to remove the delay of funds by one additional business day for certain checks deposited at a Wells Fargo location in Alaska. This applies only if the check was drawn on or payable at or through a paying bank not located in Alaska. Other funds availability policies are still in effect. Please see our Consumer Account Agreement for additional funds availability policies and details.

Periodically, we may evaluate the timing of statements, monthly service fee assessment and interest payments to your accounts. We may adjust the timing in order to align your statement, monthly service fee assessment (if any) and interest payment dates with one another. You may receive a partial statement that reflects activity and interest payments from the last statement date to the date of the change. No monthly service fees will be assessed during a partial statement period and there will be no impact to your interest rate or compounding frequency.
