Form 990, Part III, Line 4a:

Everylife FoundationThe EveryLife Foundation for Rare Diseases is a 501(c)(3) nonprofit dedicated to accelerating biotech innovation for rare disease treatments through science-driven public policy. We can do more with the science we already have and bring life-saving treatments to millions of people suffering from rare diseases. Currently, there are fewer than 400 approved treatments for 7000 rare diseases affecting more than 30 million Americans. The science exists for many of these diseases to be treated, however, treatments may never be developed because of roadblocks in the development process, such as a lack of investment and a challenging regulatory environment. The Foundation works with Patient Organizations, Industry, Academic Scientists, the Food and Drug (continued on Scedule O)

Form 990, Part III, Line 4b:

Rare Disease Legislative AdvocatesRare Disease Legislative Advocates (RDLA) is a collaborative program designed to support the advocacy of all rare disease groups. RDLA works to empower the individual to become an advocate by providing informational meetings, legislative resources, advocacy tools, and special events that support organizations and advocates working to promote rare disease legislation. RDLA's goal is to bring the rare disease community together, grow the patient advocacy community and work collectively to ensure that the many voices of patients with rare diseases have an opportunity to be heard in State Government and on Capitol Hill.

Part X FIN48 Footnote	Income TaxesFinancial statement presentation follows the recommendations of ASC 740, Income Taxes Under ASC 740, the Foundation is required to report information regarding its exposure to various tax positions taken by the Foundation and requires a two-step process that separates recognition from measurement The first step is determining whether a tax position has met the recognition threshold, the second step is measuring a tax position that meets the recognition threshold Management believes that the Foundation has adequately evaluated its current tax positions and has concluded that as of December 31, 2016, the Foundation does not have any uncertain tax positions for which a reserve or an accrual for a tax liability would be necessary The Foundation has received notification from the Internal Revenue Service and the State of California that it qualifies for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code The exemptions are subject to periodic review by the federal and state taxing authorities and management is confident that the Foundation continues to satisfy all federal and state statutes in order to qualify for continued tax exemption status The Foundation may periodically receive unrelated business income (such as sublease rental income) requiring the Foundation to file separate tax returns under federal and state statutes Under such conditions, the Foundation calculates and accrues the applicable taxes
