Form 990, Part VI, Section B, line 15a	There is an annual performance review of the Executive Director. This review guides the Governance Committee's recommendations to the Board for the Executive Director's salary adjustment. The review is done by the Governance Committee using the assessment measure drawn from validated governance instruments used to assess the performance of Executive Directors of non-profit groups in education, community health, and conservation. To preserve anonymity of response, the Likert Scaled Instrument is mailed with instructions to all Board Members and Staff Members. Respondents are provided with stamped envelopes for returning the instrument to the Committee Chair. Returns are tabulated and the resulting average scores (as well as means) are presented to the Governance Committee. In addition, the written comments for each of the reviewed areas are summarized and added to the scores. For comparison, the Governance Committee secured a self-evaluation from the Executive Director, using the same instrument. The Governance Committee meets with the Board in executive session at the annual meeting with copies of the performance review to give recommendations for the Executive Director's salary for the next calendar year.
