Part III, 4b - Energy Krazed is a new program supported by the Foundation in 2016. The program is described in Part III, 4b but it is important to note that the focus on healthy children is a key aspect of the Foundations mission, and this program represents a good start in how the Foundation plans to direct some of its resources going forward.

Part III, 4d - There are many other programs supported by the Foundation through space and attention on the Foundation's website, organizational and marketing support, and inclusion in the Foundation's social media blasts. Those programs generated a small amount of revenue through donations (\$921) and also some expense (\$10,851). All of those programs are listed on the Foundations website at www.foundation-chs.org and include Alternative Autism (currently under development), Community Gardens, Enhanced Care, Evolution of U, Hemophilia Disease Management, NeuroHope and Right Steps.

Part VI, 11b - The completed 990 form is emailed to all officers and directors of the Foundation prior to submission.

Part VI, Line 12c - Monitoring is done by asking board members to sign the conflict of interest policy and report any changes. Periodically, board members are asked if they have any new conflicts they need to report. Many board members sit on other boards of directors and express that they understand the importance of this policy. Board members have recused themselves each and every time they feel there is an issue that could be a conflict for them.

Part VI, Line 19 - The documents are posted on the Foundations' website at www.foundation-chs.org
