Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal or state income taxes in the accompanying financial statements. The Organization had no unrelated business income for 2016. The Organization analyzes its income tax filing positions in the federal and state jurisdictions where it is required to file income tax returns, as well as all open tax years in these jurisdictions, to identify potential uncertain tax positions. The Organization treats interest and penalties attributable to income taxes, and reflects any charges for such, to the extent they arise, as a component of its administrative expenses. The Organization has evaluated its income tax filing positions for years 2013 through 2016, the years which remain subject to examination as of December 31, 2016. The Organization concluded that there are no significant uncertain tax positions requiring recognition in the Organization's financial statements. The Organization does not expect the total amount of unrecognized tax benefits ("UTB") (e.g., tax deductions, exclusions, or credits claimed or expected to be claimed) to significantly change in the next twelve months. The Organization does not have any amounts accrued for interest and penalties related to UTBs at December 31, 2016, and is not aware of any claims for such amounts by federal or state income tax authorities.
