Form 990 (2016)

Form 990, Part III, Line 4a:

TrinityKids Care Program Started in 2001, TrinityKids Care remains the only dedicated pediatric hospice and palliative care program in Los Angeles and Orange counties. The program helps children with life-limiting conditions live as normal a life as possible, for as long as possible, in their own homes. The program gives these families access to a continuum of total care with the primary goal of keeping the children in their homes with their families. What began as a true labor of love with three children grew to serve more than 300 children in 2016. Funding is used to support the clinical staff, provide value added services, specialized medications, and other supplies. TrinityKids Care program helps children to live well and die gently.

Form 990, Part III, Line 4b:

Providence Institute for Human Caring - In 2014 Providence Institute for Human Caring was established as a program of Providence TrinityCare Hospice. The focus is on making Whole Person Care the new normal by, 1) Sharing expertise and best practices among our clinicians, 2) Offering educational programs for our clinicians and those from other health care providers, 3) Increasing training and support services among community organizations, 4) Supporting and accelerating community-based care through educational forums, 5) Elevating the importance of this issue nationally through news media, academic publications, and live presentations before both professional and public audiences, 6) Improving patient satisfaction, and 7) Improving family, caregiver and clinician well-being and satisfaction. Funding from the Foundation supports the operation of this program through the ministry.

Form 990, Part III, Line 4c:

Palliative Care Program The outpatient and in-home palliative care programs offer care from an interdisciplinary palliative care-trained team from the time of diagnosis to cure and survivorship or to hospice and death. The team includes a physician, nurse practitioner, RN, social worker and chaplain working in close collaboration with the patient's curative medical team (medical oncologist, radiation oncologist, surgeon, primary care physician etc.) Not only does the team provide services as described by established national guidelines and standards, but their paradigm of care is broadened by embracing a richer scope of care entitled "Whole Person Care." This practice results in patients and families feeling like collaborative partners in their illness experience, with aligned goals, more support and caring, and health care providers experiencing greater job satisfaction while providing higher quality care. Funding from the Foundation supports the operation of this program through the ministry.

Call Center Development - Funds provided by the Foundation supported developing a 24/7 Call Center process enabling Providence TrinityCare to grow in both breadth of services and volume by centralizing calls from patients, families, referral sources and physicians for hospice and outpatient palliative care programs. The funds for this one-year transfer were used to create a plan under the management of a project manager, train staff on the Electronic Health Record systems and test and implement the processes to assure the highest quality, compassionate care at the point of service for even more patients and families.

(Code) (Expenses \$ 291,397 including grants of \$ 291,397) (Revenue \$ 0)

Patient Care Assistance (Charity Care), Necessities of Life, Bereavement and Volunteer Services - No one is ever turned away from TrinityCare Hospice due to an inability to pay or lack of insurance. For these patients, and for those who are underinsured, the Foundation provides assistance to make any and all of our hospice services available. 26 individuals were provided complete charity care support through the provision of hospice care and bereavement follow-up for their bereaved loved ones. Another 135 patients and families were assisted through Necessities of Life philanthropic support for needs such as groceries, diapers, and household supplies. 2,907 families were followed for 13 months through bereavement support and education provided by social workers, social work interns and highly trained volunteers. More than 100 individuals volunteered in 2016 with patients and families to provide companionship, run errands, lead Legacy Art projects, play and write music, transport families in the TrinityKids Care van, serve as "standardized patients," and deliver special Veterans' Day cupcakes to cheer and thank veterans for their service. During the holidays, 46 families received gifts, clothing, and household goods donated by caring community members.

Part I, Line 2	The grant funds are recorded as a separate restricted fund and each month an amount is transferred for the grant purpose expenses. This way the use of grant funds is monitored at the end of each month. The grant money is distributed based on the total expenses incurred on each specific program. The accountant runs the expense report each month for each program and distributes grant money to those programs. These program expenses are limited by a budget prepared at the beginning of the year.

Percent opportunities are aligned with our total compensation philosophy as outlined in Part VI, Section B, Line 15 (Process for determining compensation of top management, officers & key employees). For Providence leaders, the performance award is based on the level of accomplishment of annual system and functional (or market) objectives. In 2016, 60 percent of the participant awards were based on pre-determined organizational goals consistent with Providence's strategic priorities. In 2016 the percent allocation for each of these strategic priorities was as outlined below: System Goals - First-year Turnover - 10% Inpatient Experience - 5% Patient Experience - 5% Medical Group Patient Experience - 5% Community Benefit - 10% Clinical Excellence - 15% Free Cash Flow - 10%. The remaining 40% was based on a robust set of function specific goals designed to align critical mission and business drivers.

990 Schedule O, Supplemental Information

Return Reference	Explanation
Form 990, Part VI, Section B, line 15	<p>It is Providence's intention to make financial information accessible and transparent. Although the filing of Form 990 provides insight into how Providence achieves its Mission, delivers its programs and stewards its finances, deciphering the information directly from Form 990 can be challenging. The following paragraphs provide further information about the process we use to determine compensation for top management, officers and key employees. Providence has a single fiduciary Board, with responsibility for financial oversight associated with fulfillment of the Providence Mission, developing system policies, protecting the assets entrusted to the organization and overseeing the strategic and operational affairs of Providence's legal entities. Providence also maintains a network of community ministry boards with responsibility for quality of care oversight, community relations, advocacy and community needs assessments. Providence has a consistent compensation philosophy for all of its officers, including our senior executives. Salaries for senior executives are reviewed by the Providence St. Joseph Health Committee and approved by the full Board of Directors, none of whom is a Providence employee. The Board retains an independent consultant each year to review salaries of those in the most significant leadership roles in the organization. Part of the consultant's role is to review an extensive array of compensation surveys of large, not-for-profit health care systems in the United States. Providence is one of the larger health systems in the country, and as such, the Board benchmarks executive compensation against other large, not-for-profit health systems whose revenue is similar to that of Providence. Additionally, Providence's labor market continues to spread across health care and into general industry. Because of this, Providence also takes into consideration general industry for-profit market data, where applicable. Base salaries for Providence executives are generally targeted to the median level of the market, as identified by the independent consultant and reviewed with the Executive Compensation Committee. Performance incentives allow executives to earn additional compensation if they achieve specific organizational goals for furthering Providence operating commitments and strategic objectives. The Board of Directors conducts a thorough process to ensure performance incentives are aligned with appropriate market practices. The Board's process for executive compensation fully complies with IRS standards and mirrors best practices. The Foundation Executive Director is compensated by a related organization which uses a market based compensation program utilizing several independent third party compensation market surveys to establish pay ranges for the position. The related organization then establishes the individual rate of pay within the range based on relevant experience, skills and competencies. The rate offered to the Executive Director</p>
