Part III Statement of Program Service AccomplishmentsCheck if Schedule O contains a response or note to any line in this Part III ☐**1** Briefly describe the organization's mission

Serving more than 15,000 Orange County children and families each year, America On Track breaks the cycle of poverty, incarceration and hopelessness through long-term youth development, education and life-enhancing programs. America On Track (AOT), an independent 501(c)(3) nonprofit organization, was founded in 1995 to fill identified service delivery gaps in the fields of human services, education, health & fitness, and violence & drug use prevention throughout Orange County. The mission of America On Track is to inspire Brighter Futures by building youth leaders, supporting families, and strengthening communities through life-transforming programs. Our vision is to create more vibrant communities by addressing social inequities and health disparities through evidence-based programs that focus on leadership development, mentoring, academic achievement, fitness & nutrition, and drug use prevention. Our motto is "Creating Brighter Futures for Communities & Youth since 1995!"

America On Track's Emerging Leaders program is a unique, multi-faceted afterschool program designed to inspire today's youth to become tomorrow's leaders through a focus on the development of strong leadership and public speaking skills in order to help create a brighter future. It is a huge time commitment because it pairs outstanding teens with 4th through 6th grade students in a very structured afterschool program that requires weekly attendance from 2:30 pm to 6:30 pm throughout the entire school year (30 sessions). America On Track staff members lead the program that provides the following components: Leadership Training, effective Public Speaking Skills Coaching, Training on How to Become a Successful Mentor, Social & Character Development, Nutrition Education, Music Appreciation as well as Fitness & Recreation, and much more. The teen leaders participate in the leadership process provided by America On Track, and their many talents and skills are incorporated into various components of the program. The teens receive intensive and ongoing training and are coached to assist in presenting lessons. It is a synergistic approach to developing future leaders. Our Emerging Leaders program is designed to benefit the teens and the elementary school students as well as our communities.

America On Track's Brighter Futures for Children of Prisoners program is a holistic and multi-faceted comprehensive approach to helping the most vulnerable children of Orange County. For 14 years now, the successes of our Brighter Futures program for children of prisoners has been based on 5 interwoven components: a one-on-one mentoring program with trained and carefully selected adults who meet with their mentees every week for 2 hours per week, STEM workshops on a quarterly basis to promote a useful and fun approach to science, a "College Is For Me Too" summer educational/inspirational camp at a college campus to demonstrate that college is attainable and enjoyable, free age-appropriate books, and special outing. Additionally, nutritional seminars and wraparound services are provided to the guardians. Since the cost of incarceration is now 89 billion dollars per year nationwide and Orange County is #7 in the Nation in prison population, and 1 of every 5 CA discretionary dollars goes to incarceration, this is a problem of great magnitude. The children of incarcerated parents (over 20,000 in OC alone) who did not choose these parents are predicted to follow in their footsteps if they do not receive support and guidance. AOT is the only nonprofit in OC providing comprehensive services to these "forgotten" children.

Physical Education Program (PEP). In October 2016, America On Track received another 3-year Carol M. White Physical Education Program grant to implement the On Track through Fitness & Nutrition project, a comprehensive physical activity, health, and nutrition program to directly serve 5,000 K-8 students in Buena Park, CA to help them meet State Standards. AOT, with seven collaborative community partners, is using promising new strategies as well as existing past proven strategies from two prior successful PEP grants (2007-10 and 2011-14) to address critical gaps as well as enhance health and fitness services at ten schools. The partnering local education agency is the Centralia Elementary School District (CESD), which consists of eight elementary schools enrolling over 4,500 students in grades K - 6. Additionally, two K - 8 Catholic elementary schools of the Diocese of Orange (St. Pius V and St. Justin Martyr, with approximately 500 students), which are within the CESD catchment area, are also being served. AOT is providing and coordinating intensive, evidence-based services that offer multiple opportunities for vigorous physical activity and health education. The overall project goal is to improve the children's physical fitness by undertaking instruction in physical education activities, healthy eating habits, and good nutrition, with an ultimate goal of creating life-long healthier habits.
