Name: Delta Dental Plan of Indiana Inc

Form 990 (2016)

Form 990, Part III, Line 4a:

Promoting Dental CareDelta Dental Plan of Indiana, Inc is a leading prepaid dental benefits provider in the Midwest. The purpose of the organization is to advance and promote the improvement of oral health. This is done by offering innovative, cost-effective products that meet the needs of customers. This was demonstrated in 2016 by paying out over \$164 million for dental care, by providing dental benefits for the public and advancing the science of dentistry. In addition, over 1 million claims were processed for over 300,000 subscribers. SEE SCHEDULE O FOR CONTINUATIONCost Saving StrategiesDelta Dental benefit plans are committed to saving groups and subscribers money. The Delta Difference is an integration of activities, such as cost management policies, fee reduction agreements with dentists, and an anti-fraud hotline, put to work ensuring quality, cost-effective dental benefit delivery. In 2016, The Delta Difference saved groups and subscribers approximately \$1.8 billion. In addition, The Delta Difference helps keep our trend below the national inflationary trend in dental benefits. Delta Dental's industry leading technology platform, Enterprise Technology Solutions (ETS), has been internationally recognized as providing the best in fast, flexible service including online, real-time claims processing. Delta Dental's continued priority is to reduce costs and improve service by increasing the volume of claims that are submitted electronically. Quality Initiatives and ResultsBringing Quality to All We Do is the quality policy for Delta Dental Plan of Indiana, Inc. The affiliated Delta Dental Plans of Michigan, Ohio and Indiana hold the prestigious ISO 9001 certification. Quality standards are extremely rigorous and guarantee that Delta Dental has documented its quality procedures and systems throughout the company. This certification demonstrates our commitment to serving the needs of our customers and strengthens our dedication to quality and innovation. Quality service is also measured through internal audits. Results indicate over 99 percent of claims are processed within 10 working days. Commitment to the CommunityDelta Dental Plan of Indiana, Inc believes advances in dental research and enhanced educational opportunities for dentists go a long way toward improving oral health. The company is a key player in groundbreaking research on trends in oral health in the insured population. The Delta Dental Fund, the company's philanthropic affiliate, encourages advances in dentistry and supports dental education and research. Only an organization of Delta Dental's size and experience in the benefits field has extensive data regarding dental treatment patterns over extended periods of time. Because of its commitment to advancing the science of dentistry, each year the company grants researchers at five dental schools in Michigan, Ohio and Indiana access to this important information to study oral health trends. The results of their studies will add significant data to the body of knowledge in the field of dentistry. Since it was formed in 1980, the Delta Dental Fund has granted over \$25 million toward the advancement of dental science and improvement of the oral health of the public. Delta Dental Fund regularly provides funding for programs that help at-risk populations and individuals with special needs obtain dental treatment, for scholarship and leadership awards to dental students, for grants to purchase learning tools and other programs to dental schools, for continuing education programs for the dental profession, and for educational materials on the importance of oral health and hazards to oral health. In 2016, Delta Dental Fund provided grants totaling over \$2.5 million for dental and community relations projects. Among them were grants to the Michigan Department of Community Health, Cincinnati Public School district to support community water fluoridation, and to fund dental clinics. In addition, we provided the department with funding to implement two fluoride programs for up to 8,000 Flint area children affected by the water crisis. The first program is a school-based fluoride rinse program for students in the elementary grades and the second is a fluoride varnish program for Head Start children. Delta Dental Plan of Indiana is also committed to the community. Delta Dental has always been keenly aware of its civic and social responsibility. Delta Dental Plans are proud to share, through direct financial contributions, with hundreds of community agencies and groups. In addition, employees of related organizations that work on DDOH business log countless hours of their own time as volunteers. Community support generally falls under the broad categories that provide support to children and institutions serving children, seniors, low-income individuals, minorities, and the disabled and at-risk individuals, to organizations that promote education, arts and recreation and community development, and to charitable projects or programs recommended by employees, customers, participating dentists and other key groups. Throughout 2016, we continued our role as strong advocates for sound oral health policy at the state and federal levels. Unequal Access to DentistsFor five decades, Delta Dental has helped promote oral health by designing and administering innovative, cost-effective dental benefit programs. Experts at plan design, Delta Dental has created dental benefit programs that meet customer cost-objectives while helping to improve and maintain oral health. The programs feature large panels of full-time participating dentists. In fact, 3 out of 4 dentists nationwide participate with Delta Dental. This kind of reach has enabled millions of people to receive cost-effective dental care. Delta Dental's group members are afforded added protection because they guarantee that participating dentists will accept their payment for covered services and that no charges, other than co-payments and deductibles will be billed. This lowers claim costs for customers and reduces out-of-pocket costs for subscribers. With two networks of full-time participating dentists in one integrated claims system, Delta Dental can deliver to customers and group members, the greatest access at the best cost.

Form 990, Part VI, Section B, line 12c	The Company's Vice President and General Counsel is charged with reviewing and monitoring any potential conflict of interest transactions. All members of the board of directors, officers, and key employees are required to review and execute a conflict of interest policy. This policy requires that any conflicts of interest be disclosed on an annual basis, or at any other time that the person executing the policy becomes aware of a situation or transaction that actually or potentially creates a conflict of interest. All conflict of interest disclosure forms are initially reviewed by the Vice President and General Counsel. If a prohibited transaction were identified, the matter would be brought to the Chairperson of the Board for further review and appropriate action. In the event of a conflict of interest involving a member of the Board of Directors, such as a conflict in which a member had an interest, the member is required to disclose the potential conflict and abstain from any vote on the matter. Whether further precautions are required (e.g., prohibiting the interested party from engaging in discussions) would depend upon the specific nature and background of the conflict.
