This section of your tax information statement provides proceeds transactions grouped by term (long, short or undetermined) For tax lots whose term is undetermined, use your historical documents to establish the cost basis and date of purchase Tax lots with an additional notation of "Ordinary" represent neither short- nor long-term capital transactions You may wish to consult with your tax advisor, the IRS or your state tax authority regarding the proper treatment

Closing of written options is presented in a distinct manner in accordance with IRS regulation For these transactions the Cost or other basis is always presented as \$0.00 and the Proceeds is the net of proceeds received when the option was written and the cost to close the position

Several column headings describe two related items a quantity and a qualifier For example, Proceeds of sale and, if the sale is the result of an option exercise or assignment, whether the proceeds are gross or net (adjusted for any option premium) When these conditions exist, the qualifier is shown to the right of the amount
