Return Reference	Explanation
Part V	Endowments During 2016, the filing organization was added as a beneficiary of the BloodCenter Research Foundation's ("BCRF") endowment as a supported organization. The amount of the BCRF total endowment as of 12/31/2016 was \$76,439,806 and was all board restricted. Part X, line 2 INCOME TAXES Versiti, BloodCenter, Heartland, Michigan, Indiana and the Foundation have all received tax determination letters confirming that the organizations qualify as tax-exempt organizations under section 501(c)(3) of the Internal Revenue Code (IRC). The Organization follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This guidance provides that the tax effects from an uncertain tax position can only be recognized in the financial statements if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. The assessment of the tax position is based solely on the technical merits of the position, without regard to the likelihood that the tax position may be challenged. Versiti, BloodCenter, Heartland, Michigan, Indiana and the Foundation are exempt from federal income tax under IRC section 501(c)(3), though they are subject to tax on income unrelated to their exempt purposes, unless that income is otherwise excluded by the IRC. The Organization has processes presently in place to ensure the maintenance of its tax-exempt status, to identify and report unrelated income, to determine its filing and tax obligations in jurisdictions for which it has nexus, and to identify and evaluate other matters that may be considered tax positions. In years prior to 2014, Heartland filed both federal and state of Illinois income tax returns to report a zero amount of unrelated business income. Management has determined that there is no unrelated business income to report for Heartland for tax years 2014 through 2016, and income tax returns are not required to be filed. Therefore, as the statute of limitations will remain open for returns not filed, tax years 2014 through 2016, will remain open to audit for both federal and state purposes. The Organization has determined that there are no material uncertain tax positions that require recognition or disclosure in the consolidated financial statements. The Organization recognizes, if necessary, interest and penalties related to unrecognized tax benefits in the provision for income taxes. There were no interest or penalties related to income taxes that have been accrued or recognized as of and for the years ended December 31, 2016 and 2015.
