Return Reference	Explanation
Part X FIN48 Footnote	The Society is exempt from federal income tax on related income under Section 501(c)(3) of the Internal Revenue Code (IRC). However, income generated from activities unrelated to the Societys exempt purpose is subject to tax under IRC Section 511. The Society did not conduct any unrelated business activities and had no uncertain tax positions for the year ended December 31, 2016. Accordingly, no provision for income taxes has been provided. GAAP requires the evaluation of tax positions taken in the course of preparing the Societys tax return and recognition of a tax liability (or asset) if the Society has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Society, and has concluded that as of December 31, 2016, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.
