Return Reference	Explanation
Part X FIN48 Footnote	The Foundation may recognize the tax benefit from a tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Foundation and various positions related to the potential sources of unrelated business taxable income. The Foundation has analyzed its tax positions for filings with the Internal Revenue Service and the State of Illinois. The Foundation believes that its income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect. The federal income tax returns of the Foundation for 2016, 2015 and 2014 are subject to examination by the IRS generally for three years after they were filed.
