Youth Development Our YMCA is committed to nurturing the potential of every child and teen. We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That's why we help young people cultivate the values, skills, and relationships that lead to positive behaviors, better health, and educational achievement. Our YMCA offers programs such as swimming lessons, outdoor education, character development, day and resident camps, and sports instruction. These are a sampling of the programs that we offer that provide a range of experiences that enrich cognitive, social, physical and emotional growth. Our resident and day camps offer adventure and learning activities that provide education, and promote spiritual awareness, healthy living, social growth and self-respect. During our programs, 4,000 campers gained a sense of belonging, an appreciation for nature and the environment, and grew in immeasurable ways. An additional 13,000 students participated in Camp Copneconic's Outdoor Education program and learned about the conservation and develop a greater respect for the environment and all who share it.

4b (Code) (Expenses \$ 1,387,226 including grants of \$ 0) (Revenue \$ 1,464,936)

Healthy Living The Y is a leading voice on health and well-being. We bring families closer together, encourage good health, and foster connections through fitness, sports, fun, and shared interests. As a result, over 8,000 people in our community are receiving the support, guidance, and resources they need to achieve greater health in spirit, mind, and body. This is particularly important as our nation struggles with an obesity crisis, families struggle with work/life balance, and individuals search for personal fulfillment. Our programs are accessible, affordable, and open to all faiths, backgrounds, abilities, and income levels. In 2016, we provided \$485,000 in financial assistance to people who otherwise would have faced economic barriers to participation. We have also partnered with our local Farmer's Market and Hurley Medical Center to operate a Health and Wellness hub at the market. This hub provides demonstrations, health screens, safety tips, and exercise plans for all visitors to the market which last year saw 1.1 million visits. The YMCA is a known and trusted health resource for our community and we use this leadership position to disseminate important health and wellness information to our community.

4c (Code) (Expenses \$ 1,081,759 including grants of \$ 0) (Revenue \$ 668,799)

Social Responsibility Our YMCA believes in giving back and supporting our neighbors. We have been listening and responding to our community's most critical social needs for more than 100 years. Y programs, such as our 4th Grade Safety Around Water, Financial Assistance Program, Safe Places Afterschool Program and the numerous special needs camps we offer, are just a few examples of how we deliver resources and support that empowers our neighbors to effect change, bridge gaps, and overcome obstacles. The Y Safety Around Water (YSAW) program is a collaboration with the Flint Community Schools and the Ruth Mott Foundation. During the 2015-2016 school year approximately 525, 4th grade students participated in the 7 week Y Safety Around Water. YSAW provides these 4th grade students with simple and straightforward ways to ensure their safety in and around the water. The goal of the YMCA of Greater Flint/Flint Community Schools partnership is to lessen the number of deaths due to drowning, currently the second leading cause of accidental death for youth in Michigan and the nation. This rate of drowning increases if the youth is male, African-American, and impoverished. In a community which experiences a poverty rate of 40.9% with a large African-American urban population this is an important issue. Overwhelmingly, students from Flint Community Schools who participated in this program in the 2015-2016 school year improved their swimming skills and became safer around water as a result. The YMCA is dedicated to reaching children in ways that will keep them safe and improve their quality of life. Swimming is more than a recreational skill, it's a skill that can save lives, and it is vitally important that we provide this opportunity to kids from all socio-economic groups at an early age. The YMCA of Greater Flint raises money annually to support its financial assistance program. Over 8,000 people in our community were able to receive scholarships to participate at the Y because of our Partner with Youth Campaign. At the YMCA, we believe that no one should be turned away because of their inability to pay. We provide financial assistance for memberships, youth programs, and camping experiences throughout the year. Through our partnerships at Camp Copneconic, we are able to provide camping experiences for children with diabetes, cancer, Crohns and Colitis, children from foster programs and a variety of other unique situations. Through our extensive partnerships, we are continuing to positively impact our community in the areas of youth development, healthy living and social responsibility. Working with other youth organizations like Boys and Girls Club and Whaley's Children Center we are able to offer life-changing experiences to youth.

(Code) (Expenses \$ 486,887 including grants of \$ 0) (Revenue \$ 3,060)

Safe Places Another way the YMCA of Greater Flint is developing youth in our community is through the Y Safe Places initiative. Through this program the Y provides safe, quality services to youth, grades K-12, residing in the Greater Flint Area. Over 1,200 youth have been served through The Y Safe Places Program, now in its third year. The four Safe Places sites, provide year-round programming to maximize every opportunity to reach targeted youth. In addition to being easily accessible for neighborhood youth and families, Safe Places has established the following goals: (1) To provide quality care for all children, in a safe, structured environment, (2) To improve quality of life, health, and self-esteem, (3) To support and strengthen the family unit, (4) To help children develop to their fullest potential, and (5) To teach the importance of physical activity throughout life.

(Code) (Expenses \$ 220,816 including grants of \$ 0) (Revenue \$ 191,940)

Swim Team The YMCA Flint Falcons is a competitive swim team comprised of swimmers from the greater Flint area. This USA and YMCA sanctioned swim team's mission is to develop the character traits, technical skills and intense desire necessary for maximum realization of each individual's highest goals, including the Olympic dream. This dynamic team brings all youth to realize their unique athletic talent in the pool regardless of social economic status, race, or religion. This program is particularly important to African-American, inner city males who have a statically higher chance of drowning. Youth thrive from having consistent, low-impact exercise as well as the emotional and mental benefits of team sports. Besides these physical, mental, and emotional benefits, high school youth can use team participation to receive a college scholarship as well as job skills working as a lifeguard or aquatic coordinator. Through the guise of physical competition, this swim team sets up youth for success by developing them mind, body, and spirit.
