To ensure continuity of its philanthropic efforts, General Motors established the General Motors Foundation in 1976 to provide eligible organizations support through cash donations. The General Motors Foundation is committed to supporting organizations and programs designed to affect and improve the quality of life in communities.

With a strong commitment to diversity in all areas, the targeted areas of support for the GM Foundation are.

Education: Realizing the importance of education, we are consistently a leader among contributors to education, both in terms of financial support and the quality of the programs receiving support. We support a strong and diverse base of education programs for students of all ages, including donations to colleges and universities, hands-on experiential education activities, and mentoring programs.

Health and human services: We support organizations working to further research related to the causes, prevention, and treatment of various diseases such as cancer, heart disease, and diabetes. We also support other health-related awareness and education campaigns.
