Form 990, Part VI, Section B, line 15	For the CEO, Officers and other key employees, the Executive committee of the Board of Directors, which functions as the compensation committee for Bronson HealthCare Group, retains the services of an external executive compensation consultant (Sullivan, Cotter and Associates) who conducts a thorough compensation and benefit survey process that is used to determine the appropriate adjustment in cash compensation and benefits provided. This process is done annually and was undertaken in 2016. The consultant uses three to five national healthcare-based surveys for comparability data, each one of like revenue sized healthcare systems to the Bronson Healthcare Group. The consultant prepares a detailed report with recommendations for pay and/or benefit adjustments, and presents the information to the executive committee of the Board of Directors (when the CEOs survey data and recommendations are presented, the CEO and staff are excused from the deliberations). After all questions of the Board members are answered, formal motions are proposed, seconded and voted on (for any pay adjustments and for receipt of the consultants report).
