Return Reference	Explanation
Part I, Line 2	Grant applications are accepted from April 1 - May 15. The Trustees are given a copy and a meeting is held to review and approve applications. After grants are approved the recipient organization is notified by letter and provided a grant agreement that states they will abide by the agreement to ensure that funds are used as intended. Once the foundation receives the grant agreement signed and dated by the recipient organization, the check is issued. The recipient organization is also provided with grant evaluation forms which are to be returned within a year. If funds are unused, they need to seek consideration of the Trustees as to whether or not they will be allowed to retain the funds for future use, or whether the unused funds need to be returned to the foundation as stated in the grant agreement.
