Form 990, Part III, Line 4c:

Workforce Development To promote community prosperity built on valuing workers, supporting local employers, and investing in economic growth, between 2008 and 2016 Incourage, as one of the first rural organizations nationwide chosen by the National Fund for Workforce Solutions (NFWS), led a project site through its implementation partner Jobs for the Future, Inc. The local NFWS initiative, Workforce Central, pursued a dual-customer, sector-based approach for advancing workers into jobs with family sustaining wages. Enhancing the integration of social services and mobilization of community organizations is a core element of this philanthropic-led strategy. Community collaboration efforts resulting from this work include a manufacturing peer council, a regional economic growth initiative, a business and education alliance, a manufacturing partnership and other collaborations between groups that may not have traditionally worked closely together to solve workforce issues (see incouragecf.org/lead/workforce-central-2, for more). Throughout 2016 and 2017, Incourage has worked with community partners to transition these programs to permanent homes, including Mid State Technical College and various local manufacturers.

Community Information In 2008, Incourage began participating in the John S. and James L. Knight Foundation's Community Information Challenge, focusing on user-centered processes to create a more informed, engaged, and connected community. In 2012, Incourage engaged in dialogue with area residents focused on challenges facing the community, community strengths, vision for the future and interest in engaging with Incourage's work, including sponsoring the largest community-wide survey in the history of the south Wood County area, with over 4,100 residents responding. The four main priorities identified by the community through the survey were, a strong economy, opportunities for young adults and families, openness to new ideas and change, and a focus on nature and recreation of the area. These priorities continue to inform Incourage's strategy and Incourage is committed to helping the community coordinate efforts focused on community priorities and a shared vision for the future. A second community survey is planned for 2017 (see incouragecf.org/lead/community-information, for more). The connectedness and integration of a variety of grants, programs, and initiatives allows for a "community specific" framework through which collective resources can achieve greater impact in the form of systems change and community involvement. Examples include running an annual community picnic as an open and inclusive setting for fostering connections among neighbors, celebrating local assets, and promoting collaboration between local businesses and organizations (attendance was over 7,000 in 2016) (see <https://incouragecf.org/act/community-picnic/>, for more), and supporting research into local data to produce vital signs reports and then to host critical community conversations for informing strategy and action with timely, accurate and relevant data (see incouragecf.org/learn/vital-signs, for more).

Part IV Supplemental Information. Provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Return Reference	Explanation
Part I, Line 2	For scholarships, qualifying recipients are evaluated based on established scholarship criteria and other relevant factors and awards are recommended by committees (which collectively involved 170 residents in 2016), approved by the board of directors and payable directly to the educational institution. For donor advised grants, a board approved set of internal guidelines for donor advised grants is adhered to including, but not limited to, receiving recommendations from the donor, confirming tax exempt status, reviewing Form 990's when available, seeking board approval prior to awarding grants over \$25,000, and receiving acknowledgements from the grantee with respect to the use of the grant. For certain designated and unrestricted funds, a similar process is performed by a committee of staff members. For unrestricted grants called What If grants, a Resident Review Committee, comprised of 12 residents in 2016, holds quarterly meetings and rotates participation for monthly grant reviews. For each of seven communities that have a Progress Fund designated toward their community, there is a Resident Review Committee, which collectively involved 32 residents in 2016. Incentive staff provide administrative support to foster the decision making, review and approval process by performing necessary due diligence, including reviewing Form 990's, supporting and guiding site visits, determining the depth and frequency of reporting from a grant recipient with respect to the grant, in accordance with Board approved criteria and guidelines, including submitting to the Board for final approval.

Return Reference	Explanation
Part I, Line 7	At year-end, staff may be eligible to receive a discretionary, non-fixed, bonus-type payment based on overall performance and effort. The Board determines the pool of available funds, if any, and the CEO has the discretion to allocate the funds to staff. The Board also reviews the CEO's performance and may award additional non-fixed discretionary compensation based on performance and effort. This amount, if any, is reflected on Schedule J, Page 2, in column (B) (ii). Amounts on the 2016 Schedule J, page 2, column (B)(ii) reflect discretionary compensation awarded in 2015 and paid in 2016. No discretionary compensation was awarded in 2016. Schedule J, Page 2, column (B) (iii) contains two amounts in 2016. One is the cash compensation. Incentive pays in lieu of providing group insurance benefits, at the rate of 22.35% of base compensation, which rate has been the same for several years. The other is a one-time payment that will not recur resulting from a change in the treatment of vacation carryover from one year to the next. In all cases, total compensation paid remains reasonable, and at or below fair market value for the services performed.
