The Community Grants program made a valuable community impact related to increased early identification of children with an FASD by incorporating screening into standard protocols, increased access to employment services for individuals with an FASD, culturally specific programming, legal advocacy for students with an FASD, programs that provided family support, and opportunities for young adults with an FASD to learn and practice social and life skills. This program reaches communities all across the state.

Supporting individuals with a FASD and their families and caregivers is a core component of the work that was accomplished at MOFAS in 2016. The network of peer supporters in family engagement provided significant support to caregivers. A wide variety of virtual and in-person supports were offered to birth, foster, adoptive, and kinship caregivers. Retreats, Virtual Family Center, and Circle of Hope Birth Mom Support groups are just a few examples of the many support options available for caregivers. This work continues to expand and grow based on the needs of the growing FASD community. Additionally, in-person activities such as retreats and family trainings are offered throughout the state.

Part X Line 2 MOFAS has received notification that it qualifies as a tax-exempt

organization under Section 501(c)(3) of the US Internal Revenue Code and corresponding

provisions of State law, and, accordingly, is not subject to federal or state income

taxes. However, unrelated business income may be subject to taxation. Accounting

principles generally accepted in the USA require MOFAS to evaluate positions taken and

recognize a tax liability) or asset) if they have taken an uncertain position that more

likely than not would not be sustained upon examination by applicable tax authorities.

Management has analyzed tax positions taken by MOFAS and has concluded that as of December

31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that

would require recognition of a liability (or asset) or disclosure in the financial

statements. MOFAS is subject to routine audits by taxing jurisdictions, however there are

currently no audits for any tax periods in progress.
