Return Reference	Explanation
Part I, Line 4b	The Council has adopted a nonqualified, deferred compensation savings plan for certain key employees. Under this arrangement, selected employees contribute a portion of their annual compensation to the deferred compensation savings plan held by the Council in an investment account for the benefit of plan participants. The investment accounts are typically held in mutual funds. Funds in this plan may be distributed to each plan beneficiary when they retire from service with the Council. Under the terms of the plan, participants' accounts represent unsecured claims against the Council. The participants' investment account has been presented as deferred compensation investments, with a corresponding liability for benefit payments presented as deferred compensation payables on the accompanying financial statements. The Council, itself, did not contribute to the deferred compensation plan in 2016.
