Form 990 (2016)

Form 990, Part III, Line 4a:

From its inception, the Fund has generated approximately \$76 million in contributions and pledges in support of a variety of charitable and educational initiatives in the City of Chicago. The vast majority of these contributions and pledges have, through the efforts of the Fund, been made to local donor advised funds and charities, although some have been made directly to the Fund itself. The Fund is not compensated for its fundraising efforts on behalf of these donor advised funds and charities. The Fund has focused its fundraising and grant making activities on the priority areas of public safety, arts and culture, open space, and education. Selected highlights within those priority areas include the following: Public safety - The Fund's early efforts led to the successful raising of almost \$50 million to support public safety initiatives in the City of Chicago. Arts and culture - The fund has assumed the lead role in securing philanthropic support for the Chicago Architecture Biennial, a first-of-its-kind international forum on architecture and the designed environment held in Chicago in 2015 and is scheduled to take place again in late 2017. The fund has raised approximately \$7 million in support for the Biennial. The Fund also raised \$1 million in charitable support for a public festival along the Chicago river. Open Space - The Fund secured \$20 million in donations and pledges to the Maggie Daley Park fund (A Donor advised fund at a local charity) to be used to assist in the building and completion of Maggie Daley Park, a project of the Chicago Park District. The Dynamic, sustainable, multi-functional 20-acre park reaches out to the local neighborhood as well as the larger Chicago community and visitor population.

Part VIII and Part IX - Collaboration with a local charity	The Fund (or its representatives) serves as a donor advisor with respect to donor advised funds administered by a local Chicago charity. The local charity owns the donor advised funds and has final authority over any distributions. The Fund has, however, spearheaded significant fundraising efforts directed at encouraging third parties to make contributions to these donor advised funds. From inception the Fund has generated approximately \$76 million in contributions and pledges in support of charitable and educational initiatives in the City of Chicago, the vast majority of which have been made to these donor advised funds and other local charities rather than to the Fund itself. Amounts shown on Part VIII do not include any amounts contributed to these donor advised funds.
