Return Reference	Explanation
Part I, Line 6	Every pay period, the employer contributes the match percentage per the plan document into the employees' retirement account. Annually, the board determines based on financial results if an additional (or discretionary) amount will be contributed to the employees' accounts. The percentage is based on employee classification and length of service. The decision is based on meeting organizational goals, and one of those goals is the combined operating margin of the three Confluence Health System organizations: Confluence Health, Central Washington Health Services Association, and Wenatchee Valley Hospital.
part II	Compensation for Dr. Stuart Freed is reviewed, approved, and paid by an unrelated third party, Wenatchee Valley Medical Group, for services performed for Confluence Health. Compensation paid in 2016 was \$465,256.
