Schedule H, Part III, Line 9b Collection practices for patients eligible for financial assistance	St Anthony Shawnee Hospital has established a written credit and collection policy and procedures. The billing and collection policies and practices reflect the mission and values of SSM Health, including our special concern for people who are poor and vulnerable. The Health Center embraces its responsibility to serve the communities in which it participates by establishing sound business practices. The Health Center's billing and collection practices will be fairly and consistently applied. All staff and vendors are expected to treat all patients consistently and fairly regardless of their ability to pay. They respond to patients in a prompt and courteous manner regarding any questions about their bills and provide notification of the availability of financial assistance. All uninsured patients will be provided a standard discount for medically necessary inpatient and outpatient services, including services provided at off-campus outpatient sites. The hospital determined the amount of the discount based on the local managed care market, applicable statutory requirements and other relevant local circumstances. The rate must be no less than the lowest effective discount rate and no greater than the highest effective discount rate for the current managed care contracts of the hospital. Uninsured patients may also qualify for an additional discount based upon financial need under the system financial assistance policy. All accounts due from the patient will receive a statement after discharge or after final adjudication from patient's insurance. Generally the patient will receive 4 months (120 days) of in-house collection efforts (including early out vendors) and 12 months of bad debt collection efforts. The hospital will make Reasonable Efforts to determine FAP eligibility including: 1. The financial assistance summary will be included with each billing statement. 2. Extraordinary Collection Activity (ECAs) may not occur until bad debt placement and only after the expiration of the notification period. 3. ECAs must be suspended if a guarantor submits a FAP application during the application period. 4. Reasonable measures must be taken to reverse ECAs if the application is approved which may include refunding any payments made in excess of amounts owed as an FAP-eligible individual. 5. Bad Debt vendors will gain written approval from SSM prior to engaging in ECAs. SSM will review the accounts and verify satisfactory completion of reasonable efforts during the notification and application period. A waiver is not considered reasonable efforts. Obtaining a signed waiver that an individual does not wish to apply for FAP assistance or receive FAP application information will not meet the requirement to make "reasonable efforts" to determine whether the individual is FAP-eligible before engaging in ECAs. All outside collection agencies must comply with state and federal laws, comply with the association of credit and collection professional's code of ethics and professional responsibility and comply with St. Anthony Shawnee Hospital collection and financial assistance policies.

Schedule H, Part VI, Line 2 Needs assessment	SSM Health (SSM) participates in Community Benefit according to our vision, Through our participation in the healing ministry of Jesus Christ, communities, especially those that are economically, physically, and socially marginalized, will experience improved health in mind, body, spirit and environment. In the tradition of our founders, the Franciscan Sisters of Mary, caring for those in greatest need remains our organizational priority. Today our System Board monitors Community Benefit efforts, and views achievement of our vision as a primary responsibility. The purpose of SSM's Community Benefit program is to assess and address community health needs. Making our communities healthier in measurable ways is always our goal. To fulfill this commitment, SSM's Community Benefit is divided into two parts: 1) Community Health Needs Assessment (CHNA), and 2) Community Benefit Inventory for Social Accountability (CBISA). The CHNA is an assessment and prioritization of community health needs and the adoption and implementation of strategies to address those needs. A CHNA is conducted every three years by each hospital according to the following steps: * Assess and prioritize community health needs. Gather CHNA data from secondary sources, obtain input from stakeholders representing the broad interests of the community through interviews and focus groups, use data to select top health priorities, and complete written CHNA. * Develop, adopt, and implement strategies to address top-health priorities. Establish strategies to address priorities, complete Strategic Implementation Plan, obtain Regional/Divisional Board approval, and integrate strategies into operational plan. * Make CHNA widely available to the public. Publish CHNA and summary document on hospital's website. * Monitor, track, and report progress on top health priorities. Collect data and evaluate progress, report to Regional/Divisional Board every six months and System Board every year, share findings with community stakeholders, and send results to finance for submission to the Internal Revenue Service (IRS). CBISA is the gathering, collecting, and reporting of all data relating to community benefit activities and programs across the System. A CBISA is conducted every year by each hospital according to the following steps: * Collect and enter data. * Send out emails reminding staff to submit activities, enter data into Lyon, and run reports to share with leaders. * Finalize and report on prior year. Enter all prior year data into Lyon by January 31, and communicate final prior year figures to IRS, System Board, and the community. System Office staff and leaders oversee and monitor SSM's Community Benefit Program, and ensure reporting is in compliance with IRS regulations. In collaboration with community stakeholders and partner organizations, all hospital CHNAs were completed, approved, and integrated into the organization's strategic plan. We continue to monitor and assess the progress of our local efforts in the spirit of caring for others and improving community health.

Form and Line Reference	Explanation
Schedule H, Part V, Section B, Line 11 Facility A, 1	Facility A, 1 - St. Anthony Shawnee Hospital. SSM Health's mission statement is "Through our exceptional health care services, we reveal the healing presence of God." In 2015, in collaboration with our community partners, St. Anthony Shawnee Hospital conducted a Community Health Needs Assessment (CHNA) and developed a strategic implementation plan for the 2016-2018 cycle. The strategic priorities we will address over the next three years include: prescription drug abuse, heart disease, and obesity. The SSM Health Care of Oklahoma Regional Board approved this CHNA on November 11, 2015. St. Anthony Shawnee Hospital last conducted a CHNA in 2012. The St. Anthony Shawnee Hospital 2016 - 2018 CHNA showed that prescription drug abuse is a major concern in the area. Of the 800 prescription drug abuse deaths in Oklahoma from 2007-2013, 17% (135) of them were in Pottawatomie County. Approximately one-fifth of all drug overdose deaths in Pottawatomie County were from prescription pain medications. Problematic prescribing practices are a leading contributor to the epidemic, but safe and informed prescribing practices and instituting sensible prescribing guidelines can help combat the problem. The following goals were established in 2016 to address prescription drug abuse: - Goal: Decrease the number of deaths due to prescription drug abuse in Pottawatomie County from 225 in 2015 to 212 by 2018, initial measures will be available in 2017. - Goal: Reduce the number of prescription overdose patients seen in St. Anthony's emergency department from 14 in 2016 to 13 in 2018. The St. Anthony Shawnee Hospital 2016 - 2018 CHNA indicated Heart Disease is the leading cause of death for Pottawatomie County, alone accounting for over \$90 million a year in medical cost for the county. Heart disease is affected by numerous lifestyle behaviors including smoking, uncontrolled blood pressure and cholesterol, diabetes, stress and depression, an unhealthy diet and lack of exercise. SSM Health and St. Anthony Shawnee Hospital offer a wide scope of programs with the goal of creating healthy lifestyle behaviors and reducing the risk of heart disease in the community. The following goals were identified for 2016 to address heart disease: - Goal: Reduce the number of deaths due to coronary heart disease in Pottawatomie County from 161.1 deaths per 100,000 persons in 2015 to 159.1 deaths per 100,000 persons by 2018, data indicates improved death rate of 147.4 deaths per 100,000 in 2016. - Goal: Reduce the 30-day readmissions rate for Congestive Heart Failure (CHF) patients from a baseline of 18.6% to under 15.25% in 2018, readmission rate in 2016 fell drastically to 15.63%. The St. Anthony Shawnee Hospital 2016 - 2018 CHNA revealed obesity as a top priority for its service area. Lifestyle complications that lead to increased risk of obesity include physical inactivity combined with unhealthy diet and eating habits, and often affect minorities and those living under financial distress.

Section C. Supplemental Information for Part V, Section B. Provide descriptions required for Part V, Section B, lines 2, 3j, 5, 6a, 6b, 7d, 11, 13b, 13h, 15e, 16j, 18e, 19e, 20e, 21c, 21d, 23, and 24. If applicable, provide separate descriptions for each hospital facility in a facility reporting group, designated by facility reporting group letter and hospital facility line number from Part V, Section A ("A, 1," "A, 4," "B, 2," "B, 3," etc.) and name of hospital facility.

Since it was founded in 1872 by Catholic sisters, SSM Health (SSMH) has existed to meet the health needs of the communities it serves. SSMH is a Catholic, not-for-profit health system serving the comprehensive health needs of communities across the Midwest through one of the largest integrated delivery systems in the nation.
