Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Company was recognized as a public charity, not a foundation, generally exempt from federal income taxation under 501(c)(3) of the Internal Revenue Code pursuant to a determination letter issued by the IRS in January 2015 effective September 30, 2013. The Company is entitled to rely on this determination as long as there are no substantial changes in its character, purposes, or methods of operation. Management has concluded that there have been no such changes and therefore the Company's status as a public charity exempt from federal income taxation remains in effect. The state in which the Company operates also provides general exemption from state income taxation for organizations that are exempt from federal income taxation. However, the Company is subject to both federal and state income taxation at corporate tax rates on its unrelated business income. Exemption from other state taxes, such as real and personal property taxes, is separately determined. The Company had no unrecognized tax benefits or such amounts were immaterial during the periods presented. For tax periods with respect to which no unrelated business income was recognized, the Company was not required to file any income tax returns.

PART III, COLUMN B	Pediatric Specialists of Virginia (PSV) offers gifts or grants to assist indigent families who are struggling with the demands of caring for children with serious, complex, and/or debilitating health conditions. PSV has a policy that outlines eligibility and the process, as well as a form, for requesting, approving and documenting these gifts. The policy requires the recipient to be a current patient of PSV. A PSV social worker or other staff member assesses the families' needs, and requests are approved by PSV senior leaders. Payments are made directly to creditors (such as a landlord, utility company, etc.) upon documentation of amounts owed. Smaller gifts, in the form of transportation vouchers, or gift cards to assist with groceries or pharmacy co-pays, are tracked using a log.
