Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission

"The mission of SRS Education is to provide all students with a quality education which will enable them to compete in a global economy and exercise the rights and responsibilities of citizenship"

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No

If "Yes," describe these new services on Schedule O

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No

If "Yes," describe these changes on Schedule O

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported

4a (Code) (Expenses \$ 723,268 including grants of \$ 104,503) (Revenue \$ 762,171)

The past year SRS has made tremendous accomplishments educating students and providing them with a path toward success. SRS has enrolled over 80 students this past year. Students generally enroll into our facility due to poor behavior, drug addictions, truancy and several other issues that are impeding their ability to be successful in school or home life. We take on these students and provide means for them to become successful. We offer exceptional schooling and credit recovery programs that get students back on track towards graduation. Currently 87% of students enrolled are behind in school and looking at a GED as their only option. After students complete our program 95% of them are back on track not only educationally but socially. They see the value of an education and are motivated to finish high school and attend college. Statistically over the past years 91% of students who have graduated our program have graduated high school. This is astounding results when we look at the fact that so few were on this path to begin. We have found great pride in knowing that we are positively influencing so many youth to overcome their obstacles and be a productive citizen that they can be proud of. A common statement made by students exiting our program is you saved my life, I would never be where I am today without coming to SRS. SRS is continuing to evolve with the times and help students deal with their myriad of problems they have to deal with in this ever so complex world. We feel that by helping our future generation we are helping the world become a better place for all to live.
