SCHEDULE H, PART III, SECTION B, LINE 8	
SCHEDULE H, PART III, SECTION B, LINE 9B	Before placement with collection agencies, MCMCI Patient Financial Services offers various options for patients with financial difficulties. In addition to offering our own financial assistance to qualifying individuals, MCMCI contracts with an agency that screens individuals for eligibility for programs like Medicaid, Disability and Crime Victims Compensation and then helps them through the application process. The use of propensity to pay software also helps MCMCI identify individuals that may need assistance that have not completed an application. MCMCI has language written in their collection agency contract that states, "If the collection agency learns a patient/debtor has neither sufficient income nor assets to meet his financial obligation, the agency will not pursue collection activities against the patient/debtor, unless or until the agency learns that the patient/debtor has income or assets to meet the obligation." If the collection agency is notified by the patient/debtor that this created an undue financial hardship or burden due to a change in their income or assets, the agency will notify MCMCI and await further direction from the hospital.
