Supplemental Information

Return Reference	Explanation
Part X, Line 2	The Foundation follows the accounting guidance that creates a single model to address uncertainty in tax positions and clarifies the accounting for income taxes by prescribing the minimum recognition threshold a tax position is required to meet before being recognized in its financial statements. Under the requirements of this guidance, organizations could now be required to record an obligation as the result of tax positions they have historically taken on various tax exposure items. The Foundation is not required to record such an obligation.
