Schedule I, Part I, Line 2 Procedures for monitoring use of grant funds	Black Achievers Scholarships - All participating high school seniors who were program participants as of the beginning of the previous school year are eligible for scholarships and/or cash awards. Scholarship recipients must complete a two-phase application process that includes submission of their high school transcript, SAT test scores, an essay that elaborates on the students' aspirations, career options, and strengths and weaknesses. The second phase of the application is an interview process. A point system is followed by the Scholarship Committee to evaluate and rank each applicant on the above areas. Payments are made directly to the college or university which the student will be attending after proof of acceptance is supplied to the Scholarship Committee. Cash awards are also made directly to the college/university; each participant is attending on their behalf based on the number of career cluster meetings they have attended since their junior year of high school. Stokes Family YMCA College Scholarships - Applications from local high school seniors are accepted and evaluated by a group of volunteers and staff based on financial need, scholastic achievements, community involvement, volunteer hours, YMCA involvement and spirituality. Finalists are chosen from the applications - 3 from each high school - and interviews are conducted. Three recipients are selected based on how they present themselves in the interviews, if their financial needs have changed, and how they plan to use the scholarship if selected. Cash awards are made directly to the college/university of each recipient to be used for tuition only.

Form 990, Part III, Line 4a HEALTHY LIVING	1 The iconic and historic YMCA triangle emphasizes the oneness of spirit, mind and body. YMCA wellness programs achieve this unity through programs that emphasize proper exercise, nutrition, health education, avoidance of drug and alcohol abuse and stress management, as well as finding a mental and spiritual balance. 2 YMCA facilities are structured to provide members with the opportunity to participate in a wide range of wellness activities such as group exercise classes, strength training, personal fitness, cycling, aquatic programs and other fitness classes. Finding an activity that interests the individual is a critical component to building healthy exercise habits. The Y works with trained, caring staff to connect members with options that become lifestyle choices to help them live healthier, happier lives. 3 Group Exercise Classes are a cornerstone of the YMCA experience. Passionate, certified, and engaged instructors help members discover a love for exercise and continue to challenge themselves physically. With expansive class offerings ranging from Yoga to Boot Camps, group exercise classes allow members to try new activities, meet new friends, and find the motivation to stay with an exercise program. 4 LIVESTRONG at the YMCA is a physical activity and well-being program designed to help adult cancer survivors achieve their holistic health goals. The evidence-based, 12-week program offers people affected by cancer a supportive environment to participate in physical activities focused on strengthening the whole person, as well as a free Y membership to the entire family for the session's duration. During 2016, 113 cancer survivors participated in 14 sessions of the LIVESTRONG at the YMCA program at 10 branches of the Association. 5 The YMCA's Diabetes Prevention Program (YDPP) is an innovative behavior change model to help reduce the burden of chronic disease in communities across the nation. The program helps adults at high risk of developing type 2 diabetes reduce their risk for developing the disease by taking steps that will improve their overall health and well-being. The program provides a supportive environment where participants work together in a small group to learn about healthier eating, and increasing their physical activity in order to reduce their risk for developing diabetes. The evidence-based program is delivered over a 12-month period, with 16 weekly sessions, then monthly maintenance. It is classroom based and can be offered in any community setting. Program goals include reducing body weight by 5%-7% and participating in 150 minutes of physical activity per week. To qualify for the program, participants must be 18 or older, overweight (BMI ≥ 25) and at high risk for developing type 2 diabetes or have been diagnosed with prediabetes. The YMCA's Diabetes Prevention Program is nationally supported by the Diabetes Prevention and Control Alliance and the Centers for Disease Control and Prevention. In 2016

By the end of 2016, the STRIDE (Serving Together to Reduce the Impact of Diabetes Through Education) project conducted 203 health screenings and enrolled 25 persons in the YDPP program. 6 The Y is able to appeal to a wide range of people to set and achieve physical fitness goals through YMCA Races and Triathlon events that are open to the community and support financial assistance scholarships. The 32nd Annual YMCA Mistletoe Run was held on Saturday, December 3, 2016. The race supports the Y's efforts to fight childhood obesity in our community, where 41% of children in Forsyth County are considered overweight or obese - more than twice the national average. The race, held at the William G. White, Jr. Family YMCA near downtown Winston-Salem, is a longstanding community event popular among families, first-time runners, walkers, and serious athletes alike. Over 3,000 runners and walkers participate in the event, which drew even greater crowds to cheer on participants and attend the Mistletoe Run Post Race Party. Other YMCAs within our Association host 7 other community 5K Races and Triathlon events in six counties within our service area, including the Stokes Family YMCA King of the Hill 5K, the Wilkes Family YMCA Turkey Trot 5K, and the Alexander County Family YMCA Apple Festival 5K. 7 During 2016, our Association conducted over 40 health fairs, screenings, and information sessions, working with four county health departments, the American Red Cross, the American Cancer Society, Cancer Services, the American Diabetes Association, the American Heart Association, Positive Wellness Alliance, local colleges and universities, NC Adolescent Pregnancy Prevention Coalition, NC Division of Child Development, Smart Start of Forsyth County, and area hospitals and businesses to provide important wellness information to the community. Additionally, over 4,300 individuals participated in Healthy Kids Day and Clemmons Community Day (2,800), which are family events held at branches throughout the Association. 8 The YMCA provides the Carol M. White Physical Education Program (PEP Grant) to all elementary and middle school students in Stokes County. The Stokes Family YMCA Branch collaborates with Stokes County Schools to provide a comprehensive approach focusing on physical activity and nutrition for school-aged youth. These activities include (a) Physical activity time through Healthy, Fit & Strong (programmed recess with nutrition education) and Instant Recess (10 minute physical activity break videos) (b) Equipment to provide physical activity programming for the schools (c) Faculty development in nutrition and physical activity. 9 The YMCA offers "Get on Your Weigh", a 12-week weight management program with small t

Members report feeling more confident and benefit from higher self-esteem as this program helps get them started on the path to a healthier lifestyle. In 2016, the program helped 55 men and women develop healthy lifestyle changes. 10 Every YMCA member is offered three uFit sessions with a Wellness Coach to help them reach their full potential. Each complimentary, one-hour session is designed to help new members set attainable goals, familiarize themselves with their surroundings, build self-confidence, and provide tools for a successful wellness journey. For many Y members, uFit is the foundation and support system for a life of improving health and wellness. 11 Adult Sports Leagues, ranging from basketball and volleyball to kickball and dodge ball, provide an opportunity for adults to relive the thrill of being part of a team, expand their social network, and stay active. Friendly competition is a tremendous motivator in helping adults find an exercise program that keeps them engaged and eager to return. 12 The Stokes Family Branch offers Wise Start, a grant-funded outreach program that focuses on improving health and development of children birth to five in child care centers throughout Stokes County. A coordinator travels to sites delivering age-appropriate physical activities for children and staff using the evidence-informed Be Active Kids Movement Guide. Participation over the course of the year included 362 children at 11 different sites, 29 classrooms, and 43 teachers.

The Yadkin Family YMCA partners with Yadkin County Schools for students who attend Yadkin Early College to utilize the YMCA facility for physical education activities, serving approximately 45 children each month during the school year. 14 In 2016, the YMCA provided transportation to a group of 24 developmentally disabled students, a teacher and caregivers from the Enrichment Center to the William G. White Jr. Family YMCA (WGW) to participate in group fitness classes. These classes consisted of Zumba, Body Pump, and water aerobics. An Enrichment Center staff has been trained and certified to teach group exercise classes at the Enrichment Center to add wellness to their curriculum. The program was later broadened to include an additional day each month so that students could volunteer at WGW. The students greet members as they enter the facility to help the students build confidence when speaking to others and increase their overall social interaction skills. 15 The YMCA provides nursery and child watch services (children ages 3 months-5 years) so that parents and older siblings may participate in YMCA health and wellness activities. Parents are able to exercise in any area of the building including fitness centers and pools, take group exercise classes, and socialize with friends with the peace of mind that their child is safe and having fun with Y staff. This time allows parents to focus on themselves so they can return to their families refreshed and better equipped to support their families. 16 The aquatic environment offers a much needed diverse change in everyday life for those with special needs. It opens up opportunities and structure for those challenged in many ways. We work with other agencies and schools to offer a safe, fun environment for mental and physical classes in structured swimming. From autistic individuals, to those with sight impairment, everyone is welcomed to our aquatic environment to learn and grow from their experiences. We have many participants in our YMCAs that also participate in Special Olympics and the Piedmont Plus Senior Games. 17 Warm water recreational activities/exercises help improve exercise options for daily living and provide rehabilitation activity for those recovering from severe physical impairments. Warm water activities also improve range of motion and joint mobility for people with arthritis or senior citizens who wish to improve their level of fitness, as well as aiding in socialization opportunities. 18 The Active Older Adult Program develops seniors into an active, health-conscious social circle of friends and participants. This program is structured for active (or not so active if they so choose) older adults. Organized trips are planned on a monthly basis from September through May for both YMCA members and non-YMCA members. The group is e

Programs include sports, group games, values education, asset development, healthy snacks and tutoring while serving 2,559 youth (341 before school and 2,218 after school) from 50 schools at 36 school sites, 5 YMCA branches, and two community centers. Parent Advisory Committees and the YMCA Model Child Care Curriculum help guide and direct the Before/After School Child Care Programs. 2 In 2016, the YMCA provided a nutritious healthy snack to 18 mainly at risk after school care sites. Overall the food grant program served approximately 625 children and was possible due to funding from the NCDHHS Child and Adult Care Food Program. In addition to the healthy snack, the kids also participated in physical activities and healthy lifestyle tutoring. 3 Thanks to a grant from Walmart via YMCA of the USA, we served healthy snacks including fruits, cereal, vegetables and yogurt at some of our after school sites and all of our Summer Learning Academies. On average, 1,500 snacks were served each week. 4 Through collaboration with the Second Harvest Food Bank, we operate a Kids Cafe in the LeDeana Crest apartment complex community. Kids Cafe is an after school program where students receive assistance with homework, enrichment activities and a nutritious dinner. During 2016, the Cafe served an average of 50 students each week. 5 YMCA programs are designed to help children reach their full potential in a safe, supportive environment regardless of their family's circumstances. Financial assistance policies help all people gain access to the YMCA, regardless of income level. Education & Leadership 1 Learning should not stop when the school year ends. But some children will return to school in the fall more prepared to succeed than others. Statistically, students from families with fewer resources miss out on key developmental and enrichment opportunities, which can lead to summer learning loss of two months or more in key areas like reading and math. That achievement gap continues to expand over time. If students do not read on grade level by the end of third grade, the probability that they will graduate high school decreases dramatically. The YMCA Summer Learning Academy is working to change those odds. In 2016, 730 academically at-risk children attended the program, which expanded to 11 sites at local elementary (5-6 weeks) and middle schools (3 weeks). The program's elementary curriculum includes math and reading tutoring by certified teachers, health and wellness information on nutrition and physical activity, computer labs, and enrichment components such as science, character development, the arts and humanities, as well as educational field trips. The program's middle school curriculum included project based learning created by certified teachers and facilitated by staff.

Our volunteers serve as role models and nurturing figures who emphasize the importance of education. The program provides career exploration with student achievers working with Adult Achievers to learn about different career paths - architecture and engineering, health and medical, business, education, computers, etc. College preparation is encouraged with SAT preparation and college tours being a part of the nine-month program. The Achievers program has 14 school club offerings where students meet monthly and participate in workshops onsite as well as offsite field trips and college tours. The graduating teens compete for college scholarships and awards. In 2016, 8 seniors received scholarships totaling \$22,700. Latino Achievers is a mentoring program for Hispanic/Latino students in grades 6-12. The program is designed to address the growing drop-out rate of Hispanic students in Forsyth County high schools. Latino Achievers has 13 club offerings and gives teens access to 14 Adult Achievers who are Hispanic and bilingual professionals from community organizations in career fields such as finance, media/communications, business, health/medical, education, and law/government to encourage academic achievement, social development and personal growth among Hispanic youth. Latino Achievers uses a career-based curriculum where students meet during school hours once a month, as well as a diverse choice of hands-on monthly Saturday Workshops to explore various career fields and learn the basic skills most employers desire. Students also have the opportunity to attend on college field trips during the school year to have exposure to post-secondary education. The program is offered at East Forsyth and Southeast Middle School, Carter G. Woodson School, Carver, East Forsyth High, Robert B. Glenn, John F. Kennedy Magnet Middle and High School, North Forsyth, Reagan, Reynolds, Mt. Tabor, West Forsyth, and Winston-Salem Preparatory Academy High Schools. Our goal is to spread the message of both Achievers and Crosby Scholars to promote a "post-secondary/college going culture" among Latinos in Forsyth County. We anticipate that outreach efforts will result in participation in both programs, and ultimately ensure that students graduate from high school and cultivate the necessary soft-skill development to explore post-secondary options. At the end of the program, the graduating teens compete for college scholarships and awards. In 2016, the youth basketball program had 3,188 boys and girls under the age of 18 participate. Each child played a minimum of one-half of each game with a values session conducted before each game. The program collaborates with local school systems and churches in order to have adequate gym space. Other team sports include youth soccer (2,468), flag football (798), youth baseball/t-ball (593), volleyball (525), and lacrosse (189). These youth teams were led by 825 volunteer coaches. With all YMCA sports, the intent is for the participants to have fun while learning to play the sport in an environment that places winning as secondary. Parents and volunteers work together to make each season special for every team member. 2. Swim lessons teach aquatic skills to youth and adults (ages 6 months through senior citizens). Swimming is a life-long activity that improves health and fitness in addition to teaching kids and families to be safe in and around water. At the Davie Family YMCA, a partnership with the Davie County Schools and the United Way of Davie County provides every 2nd grade student with the opportunity to learn how to be safe in and around water through the Water Safety Education Program. In 2016, 455 students received this life-saving instruction. 3. Over 100 children and adults of all income levels took part in a free week of water safety awareness/swim lessons at the Wilkes Family YMCA in 2016. A partnership with the Wilkes County Schools' More at Four Program also provided swim lessons for over 500 pre-K students. These free services have a value of over \$39,000 and are funded in part by the United Way of Wilkes County (\$22,000). 4. In 2016, through two generous corporate grants from Aetna and YMCA of the USA, over 1,000 youth received free swim lessons. 5. Developmental and competitive swimming provides activities for swimmers from four years old to adult through our swim team, TYDE. This program not only improves physical fitness and enhances aquatic skills, but also teaches the importance of teamwork, goal orientation and time management. Over 925 swimmers were directly involved with our year-round YMCA swim team with an additional 2300+ area summer league and club swimmers involved in YMCA sponsored competitive events. During 2016, our YMCA swimmers participated in various national events. Of 17 seniors on the TYDE team, 7 will be receiving college scholarships for their swimming efforts. Form 990, Part III, Line 4c SOCIAL RESPONSIBILITY	1 Financial Assistance Policy The heart of the YMCA's mission is to reach out and serve people in our communities who are in need. The YMCA strives to turn no one away due to an inability to pay a program or membership fee. Our Open Doors Program allows individuals and families to access YMCA membership and programs on a sliding-fee scale that is designed to respond to individual circumstances (e.g., when a parent loses his/her job, when medical bills become overwhelming, when living on a fixed-income, etc.). Applications and awards of financial assistance are reviewed periodically to determine if the same level of award is appropriate, i.e., have circumstances changed for the recipient. During 2016, \$2,196,309 of financial assistance was provided for Y programs and membership fees to 17,803 individuals. 2 At YMCA Camp Hanes, the Outdoor Education Program takes classroom lessons and brings them to life with educational, hands-on activities that complement the curriculum based on the North Carolina State Standard Course of Study for Education. Students begin to understand what they're learning from a textbook in a new and different way. Time at camp allows students to see each other in a different setting that promotes and encourages cooperation, teamwork, and understanding of their own abilities and potential. Trained professionals facilitate the learning experience through group work, guided discovery, participatory discussions, and fun activities. In 2016, over 5,500 students from 65 schools experienced this hands-on learning at YMCA Camp Hanes. 3 Raising literacy levels is an integral part of our mission of "Helping people reach their God-given potential in spirit, mind, and body." The YMCA of Northwest North Carolina provides adult and family literacy services at no cost to participants through our Literacy Program. Program staff recruit, train, and support volunteers who tutor individuals or small groups of adults in 40-hour programs of English as a Second Language and basic reading skills. In 2016, the program also helped participants improve job-seeking skills. Program staff and 98 trained volunteers tutored 185 adults in Adult and Family Literacy Programs helping them reach their goals of entering employment, job training or GED programs, or becoming more involved in their children's education. The Literacy Program at the Ledges Apartments' Children Center provided homework help and literacy enrichment activities for 45 preschool and elementary children. The YMCA Literacy Program is funded by the United Way of Forsyth County, North Carolina Community Colleges System, and donations to the YMCA Annual Giving Campaign. Also, thanks to a grant from the Kate B. Reynolds Charitable Trust, technology is one tool making an incredible difference in the ability of these students to learn. Launched in October 2008, the YMCA Military Outreach Initiative provides government funding for eligible military families to receive free memberships at full-facility YMCAs in their communities. 5 For the summer of 2016, YMCA Camp Hanes was one of 22 accredited YMCA and 4-H camps across the nation partnering with Camp Corral—a free, one-of-a-kind, weeklong summer camp for military children, with priority registration given to children of wounded, disabled or fallen military service members. YMCA Camp Hanes hosted 261 children of wounded, disabled or fallen military service members in a fun-filled week that included a variety of fun camp activities, including a Hero Day ceremony on Wednesday. At Camp Corral kids are free to be kids, away from the day-to-day challenges they face in their military families. Kids participate in traditional outdoor activities such as archery, canoeing and swimming, and have the opportunity to meet other kids who share similar family situations. 6 In 2016, the YMCA of Northwest North Carolina hosted the fall Christian Leadership Conference (CLC) at Camp Hanes. One hundred attendees from approximately 6 different YMCAs and two states attended training workshops with a Christian emphasis in programming and fellowship. 7 The YMCA of Northwest North Carolina has strong international ties through a long standing relationship with the YMCA of the Ukraine. Our relationship has supported strong programs in HIV/AIDS education, youth sports, camping and the arts in the Ukraine. Additionally, this relationship has provided internship opportunities for both organizations, as well as service learning camps for our own youth and teen members. 8 In recognition of the National Day of Prayer, each of the YMCA facilities hosted an annual Prayer Breakfast in May. Also in 2016, the 2nd Annual Come Alive! Community Prayer Breakfast was held in Winston-Salem as a collaborative effort between the YMCA of Northwest North Carolina, Love Out Loud and the New Canaan Society. Combined, these events brought together 1,200 members of the communities we serve to pray, fellowship, and hear speakers and music. 9 Non-summer Conference/Retreat Programs are designed to allow campers the same opportunities as a resident camper, but on a smaller scale over a long weekend.
