Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b), and any other additional information.

The Sisters of Charity Foundation of South Carolina begins its' grant award process by reviewing grant proposals to ensure that the Foundation guidelines are met for mission, geographic area, program area, and population served. Required documents from potential grantees include audited financial statements, IRS determination letter and IRS Form 990. After initial verification has taken place, a program officer/grants manager is assigned to each proposal. Additionally, site visits are conducted with representatives from the organization, and a narrative summary is completed for the distribution/grant committee. All proposals are then carefully reviewed by staff and the distribution/grant committee to identify those applications that best serve the Foundation's mission, and analyze proposed budgets to fulfill our obligations as stewards of the Foundation funds. After the selection process is complete, the distribution committee make its' recommendations to the full board of Trustees at its' next meeting. Once a grant has been awarded, grants are monitored through site visits to ensure proper use of funds. Periodic reports and budgetary information are required and reviewed for consistency and adherence to the program goals and objectives. When the grant period has ended, closed grant/final evaluation reports are completed and reviewed by program officers/grants manager for compliance with the grant agreement and used as an internal document for future funding. Grant files are archived electronically for future reference.
