part x line 2	The Foundation is exempt from Federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. With respect to any unrelated business income generated by the Foundation, it records income taxes using the liability method under which deferred tax assets and liabilities are determined based on the differences between the financial accounting and tax bases of assets and liabilities. Deferred tax assets or liabilities at the end of each period are determined using the currently enacted tax rate expected to apply to taxable income in the period that the deferred tax asset or liability is expected to be realized or to be settled. As of December 31, 2016 and 2015, the Foundation had no deferred tax assets or liabilities or any uncertain tax positions.
