X 2	Accounting principals generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Club in its tax returns. The Club's position that it is tax exempt under Section 501(c)(3), and its position that none of its income is unrelated business taxable income, are defined as tax positions under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Club in its tax returns may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements.
