Supplemental Information

Return Reference	Explanation
Part IV, Line 1b	The Organization is authorized by the Social Security Administration to serve as a representative payee for eligible participants. The Organization is the custodian for the participants' funds. Restricted cash and funds held for others consist of accounts held by the Organization under the representative payee program as well as tenant security deposits and replacement reserve accounts from the King's Crossing property.

Supplemental Information

Return Reference	Explanation
Part V, Line 4	In order to allow the investment manager(s) to obtain the most competitive total rate of return (dividends, interest and capital appreciation), the Board hereby adopts an annual withdrawal policy in implementing the purpose of the Fund. Specifically, the Board recognizes and concludes that under current market structures, it is prudent to permit the Fund to grow through appreciation of its assets rather than investing in assets that produce income only. To provide income to the Agency, the Board adopts the following formula. The rate of withdrawal will be based on average market value giving due consideration to the integrity of the fund and the fund's intended objectives. The Endowment will provide income annually up to 5% of the average market value for the previous three years. For valuation purposes, the Board will consider a 3 year average of the June 30 market values. The 3 year average is intended to smooth distributions to the agency through various market cycles. The Board will advise the Manager(s) each August as to the required annual payment for the following fiscal year. (This 3 year smoothing will be phased in during the initial 3 year history of the fund.)
