In addition, the organization participates in third party surveys which provide aggregate, comparative compensation data for officers and key employees in similar positions at similar organizations. IHS consultants presented and discussed this comparability data in 2015 for the 2016 compensation review and met in 2016 for the 2017 compensation review with the committee of board leadership (now Executive Committee) of the Board of Trustees (Board). The Committee reviewed the executive compensation and benefits program, determined total compensation for the CEO, and approved compensation for other officers and key employees. The Committee reviewed NHI's variable compensation program and determined appropriate awards for performance relative to goals set for the year.
