4d Additional Program Services - EducationCross International provided education support in five countries Ecuador, El Salvador, Haiti, Nicaragua and Peru Although educational opportunities are technically offered by the governments in many developing countries, the quality of those services is often substandard, and the education is not really free because the schools charge small fees which are too high for poor parents to pay Government-run schools may also require students to purchase supplies and uniforms that many families cannot afford As a result of these costs, dropout rates are enormous To reverse this trend, Cross International partners with Christian schools and education outreaches that focus on meeting the needs of poor children who would otherwise be left behind With Cross' support, these schools have provided a quality education at minimal or no cost to the students 4d Additional Program Services - OrphansCross International has responded to the needs of orphans and vulnerable children in eight countries - Bolivia, Ecuador, Guatemala, Haiti, Malawi, Mozambique, Uganda and Zambia Efforts in Haiti have brought nutritious food, safe shelter and a quality Christian education to children who would otherwise live in squalor And in Zambia, a church-based ministry has identified at-risk children, many of whom have lost one or both parents, and provided them with the support they need to achieve a better future 4d Additional Program Services - Water ProjectsLast year, Cross International funded water projects in four countries Haiti, Nicaragua, Vietnam and Zambia For example, we partnered with Amigos for Christ to enhance a community water system in rural Nicaragua that was pumping an insufficient supply due to a drought Our funds went toward the cost to install an electric power grid and electric pump and then connect these to the existing water distribution line The results of such projects are dramatic As clean water becomes more readily available, waterborne illnesses decrease and women no longer need to walk long distances to fetch small amounts of water from contaminated rivers By establishing new sources of safe water that can serve communities for years to come, Cross International's projects are saving lives 4d Additional Program Services - HousingIn 2016 Cross International supported housing programs in five countries Guatemala, Nicaragua, Vietnam, El Salvador and the United States These efforts involved, for example, the selection of 50 impoverished families in poor Nicaraguan communities to receive solid cement-block homes with waterproof roofs, electrical wiring and sanitary latrines These houses provide safety, security and improved health for those who would otherwise be living in dilapidated shacks 4d Additional Program Services - ShippingCross International's shipping program uses monetary donations to transport and distribute donated goods which meet the exempt purpose of providing food, providing clothing, providing medicine, facilitating medical treatment, providing water, facilitating clean water, providing housing, facilitating housing development, facilitating self-help programs, facilitating education programs and/or addressing needs in a disaster relief and recovery situation Through this approach, a donor's contribution can be multiplied ten times or more, as it places goods valued higher than the donation amount into the hands of the poor by the ministries serving them Another benefit of shipping goods rather than sending funds is that Cross can provide crucial medicines and medical supplies that are not locally available physically or financially This support keeps hospitals and clinics stocked with the needed resources so doctors do not have to turn away patients untreated In 2016, Cross shipped goods to churches and ministries in 11 countries the Dominican Republic, Ecuador, El Salvador, Guatemala, Haiti, Honduras, Nicaragua, Sierra Leone, the South Sudan, Uganda and the United States 4d Additional Program Services - Disaster ReliefIn 2016, Cross International helped airlift Emergency Health Kits into South Sudan to aid medical patients living amid ongoing civil war Each kit is a UN-approved pallet of essential medicines, medical supplies and low-tech medical devices for the treatment of 10,000 people for 90 days The kits were received by ten distribution centers in areas where the conflict had caused a critical shortage of medical supplies 4d Additional Program Services - General Support & OtherCross International is uniquely positioned to help overseas ministries with their specific or unexpected needs Cross' targeted responses enable ministry partners to obtain a specific resource quickly and effectively, allowing them to continue their work without disruption 4d Additional Program Services - Mission EducationCross International's overall mission includes educating Christians in the United States about the needs of the poor overseas and highlighting a biblical basis for responding to that poverty This is important to the organization's goal of developing stronger relationships between the church in the U S and the church in the developing world Cross achieved this goal by communicating directly to American Christians through Christian radio The ministry's day-long and two-day radio presentations were made to the public on radio stations throughout the country Along with conventional radio, Cross International also educates through satellite radio, speakers, musical performances, events, over the Internet, mailed materials and other forms of communication 4d Additional Program Services - Project DevelopmentIn order to ensure the proper use of donated funds and goods, Cross International regularly monitors and meets with overseas partners The Vice President of Missions and a staff of field officers made regular visits to these ministries, reviewing requests for assistance, monitoring the use of previous gifts and providing professional assistance with accounting or project development issues These project development services have helped Cross partners grow more effectively, provide a better outreach to the poor and maintain greater stability in the community

Name: Cross International Inc

Form 990 (2016)

Form 990, Part III, Line 4a:

Focus on Medical (See Schedule O for description)Cross International medical aid focused on needs in seven countries in 2016 - Afghanistan, the Dominican Republic, El Salvador, Guatemala, Haiti, Honduras and Vietnam This outreach has had a wide-ranging impact For example, Cross shipped medical goods to Guatemalan ministry partner Asociacion Amigos por la Salud y la Vida for distribution among several free community medical clinics as well as 46 hospitals that use these needed medicines to treat the poor In another case, Cross funded fully-stocked medicine cabinets for churches in Vietnam so that trained "lay pharmacists" could provide basic medical aid to low-income people in need of care Ministry partners such as these rely on Cross donations to keep their medicine shelves stocked, their equipment up-to-date and their professional staff employed By equipping hospitals, clinics, home healthcare and medical outreach programs with resources necessary to provide services to their communities, Cross helps thousands of families who would otherwise go without quality medical care

Form 990, Part III, Line 4b:

Focus on Food (See Schedule O for description)Fighting malnutrition is a priority for Cross International In keeping with this mission, the organization gave monetary or material aid toward feeding programs in ten countries including the Dominican Republic, El Salvador, Guatemala, Guyana, Haiti, Honduras, Nicaragua, Peru, Sierra Leone and Uganda Many food shipments were specifically earmarked for distribution to children, who are vulnerable to long-term developmental effects from chronic malnutrition One of the best ways to get food into the mouths of the hungry has been to partner with schools in developing countries This strategy has successfully decreased malnutrition rates in the targeted communities while also improving school performance among the children who are fed A large percentage of Cross International's nutritional aid was sent in the form of "Vitafood" - prepackaged, nutrient-rich meals that are easy to cook and serve and are scientifically developed to meet the needs of malnourished children

Form 990, Part III, Line 4c:

Focus on Hurricane Matthew Relief (See Schedule O for description)In 2016, Cross International embarked on a major effort to aid victims of Hurricane Matthew, which devastated large sections of Haiti. Our disaster response team worked alongside local ministry partners to repair damaged structures and make sure families' basic needs for food and medicines were being met. With Cross' help, rubble was cleared, shelters were built, and victims received strategic food and medical supplies. Our support included cash grants as well as goods-in-kind donations such as construction materials, first aid kits, rehydration salt packs and nutrient-enriched rice meals.
