Income for 2016

A schedule of your current year sales is shown below. The following items are provided to you to assist in the preparation of your tax returns. Typically, collectibles are taxed at 28% rates, which is shown in the column titled "Portion Subject to 28% Rates (included in Net G/L)". For your convenience, if applicable, we have included the portion subject to Section 988 translation gains and losses in the column titled "Portion subject to Ordinary Rates including Section 988 (included in Net G/L)".

Please note that if you have sold an asset for which the cost-basis information is unknown it is shown separately in the section entitled Transactions with Unknown Cost Basis. Please review these carefully when preparing your return. We suggest that you consult your tax advisor.

Certain sales will be indicated with the following symbols, where applicable, see below for an explanation.

† - Can not take a loss on your tax return based on gross proceeds from a reportable change in control or capital structure

* - Tax Cost has been adjusted for current year's return of capital

◇ - Section 988 translation gains or losses
