Wealth Building The Foundation's goal for the wealth building agenda is to enable families to build financial security. The Foundation believes that building wealth requires increased access to effective financial programs and information. When families possess the tools and knowledge to improve their finances, they can begin to grow their savings, maximize their incomes, and acquire assets. The strategies to achieve this goal include: (1) Financial Competency: Supporting activities that expand access to knowledge and resources to strengthen adult and youth financial competency; (2) Asset Building: Empowering people with limited financial resources to accumulate and preserve long-term, productive assets, such as homes, education, and businesses. Financial literacy training was provided to 541 teachers in Arkansas by our grantee, Economics Arkansas. The teachers acquired knowledge and resources to make better financial decisions for themselves, as well as, teach the subject matter with greater understanding to their Pre K - 12 students. The training sessions covered: saving, banking, credit, goal setting and money managers. The Foundation for the Mid South provided financial training to participants in New Way Mississippi Reentry Program. These individuals had the opportunity to learn skills that will help them obtain employment and transition back in to society. The Foundation supported this process and provided essential financial information on the importance of saving, budgeting and credit management. The 63 participants were given the steps to grow and protect their wealth. They were challenged to set goals and work toward a brighter financial future. Public Allies is a workforce development program that provides young males of color employment in the non-profit sector, as well as, leadership development training. In coordination with these services, the Foundation also provided financial training. The participants were assisted in obtaining bank accounts and had their first experience with direct bank deposit. They learned how to develop smart goals and why it is important to save. These skills will have a lifelong impact and significantly improve their ability to become financial secure. The Foundation sponsored Earned Income Tax Credit (EITC) events on Saturday, January 30, 2016. One event was held in Meridian and the other in Greenville, Mississippi. The purpose of the events were to provide free tax preparation and financial training, as well as, increase EITC awareness. The other partners included: FDIC Alliance for Economic Inclusion, Mississippi State University Extension Service, AARP, Multi-County Community Service Agency, Warren-Washington-Issaquena-Sharkey Community Action Agency, Inc. (WWISCA), Greater Hinds Street Church Community Development Corporation, Regions Bank, Planters Bank & Trust Company, Hope Federal Credit Union, Trustmark National Bank, BankPlus, Internal Revenue Service, Mississippi Center for Justice, United Healthcare, Taxpayer Advocate Service and IRS Taxpayer Advocacy Panel. There were approximately 70 people in attendance in Meridian and 20 in Greenville, Mississippi. In addition, the Foundation provided approximately 300 toolkits to the volunteer tax preparation sites and other organizations for distribution. The toolkit includes information on how to build and protect your wealth. An electronic version of the toolkit, as well as, a corresponding financial training session is available on our website. Wealth building will have three primary focus areas: (1) providing financial training to 3,000 teachers, as well as 200 participants in workforce programs, (2) implementing an In-School Savings Program for students K5 - 5th grade, goal is to open 1,800 savings account(s) and provide financial training to the students, (3) Increasing awareness of the Earned Income Tax Credit (EITC) by impacting 3,000 people. The Foundation will continue to utilize licensed financial planners and other experts to conduct in-person financial training sessions for teachers in the mid south. The training video and mass mail outs of the "Financial First Aid Toolkit" will also be used to expand our reach. The In School Savings Program will focus on school districts with low-to-moderate income students. Participating schools will compete for financial incentives. Lastly, EITC awareness will be promoted through the distributions of materials, our website, and events. The Foundation is partnering with financial institutions and other community partners to support EITC awareness events. Participants receive free tax preparation by certified IRS volunteers and financial training, as well as an opportunity to open a savings account.

Part X, Line 2	The Foundation is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law and is not a private foundation within the meaning of Section 509(a) of the Code. Accounting standards require the Foundation to evaluate tax positions and recognize a tax liability (or asset) if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Foundation has analyzed the tax positions taken and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the consolidated financial statements. The Foundation may be subject to audit by the Internal Revenue Service, however there are currently no audits for any tax periods in progress.
