Part X, Line 2	Effective January 1, 2009, the Credit Union implemented the new accounting requirements associated with uncertainty in income taxes using the provisions of FASB ASC 740, Income Taxes. The guidance prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required before being recognized in the financial statements. It also provided guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of December 31, 2016, the Credit Union has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Additionally, there were no interest and penalties related to income taxes. With few exceptions, the Credit Union is no longer subject to U.S. federal, state, and local income tax examinations by tax authorities for years before 2013.
