Part I, Line 2 - Monitoring Grants	Texas Health Southwest (THSW) is a member of the Texas Health Resources (THR) Healthcare system. The majority of the grants distributed by the system are to related tax exempt organizations. The hospital does not specifically monitor the use of grants paid to related organizations since THR administration monitors the use of these grants on a system basis for all members of the THR healthcare system. Grants to non-related tax exempt organizations are generally given to entities that are in the hospital's community and/or service area or to certain organizations which will specifically impact the hospital's community. These grants are typically monitored by hospital personnel who are working closely with the non-related nonprofit organization.

All disclosed conflicts are reviewed by the THR Chief Compliance Officer. A report, listing each reported Duality of Interest or Conflict of Interest is given to both the Chair of the Governing body and the President of the Corporation with which the reporting person is affiliated. The THR Board of Trustees receives a report when the Annual Disclosure process is complete. Progressive corrective action is taken for any identified noncompliance which may include removal from a board or committee or physician/employee counseling if the person fails to provide the disclosure. In addition, THR monitors physician payments through a public database implemented by CMS. Management plans are executed as needed based upon disclosures. THR also educates the Boards and workforce annually through either a web based or live compliance training.

Related Transactions- Part V, Line 2	Texas Health Resources (THR) is the parent organization in a large healthcare system made up of both wholly owned entities as well as related controlled joint ventures as listed on Schedule R. THR's role is to plan, manage and coordinate the activities of the affiliated healthcare system in order to maximize opportunities to deliver cost effective quality medical care to residents of north central Texas. THR provides direction and oversight to its wholly owned affiliates through centralized services. They also provide oversight for the controlled joint ventures. As an integral part of providing centralized services to the affiliates, THR maintains intercompany receivable/payable accounts, most of which do not fall within the scope of IRC Section 512(b)(13). The range of centralized services provided by THR include information services, managed care contracting, Human resources, revenue cycle, billing and collections, patient access/admissions, legal, tax, compliance, supply chain, quality, business development, insurance, treasury, marketing, general accounting, real estate services, coding, transcription and strategic planning. In addition, THR does daily cash sweeps of all controlled tax exempt entity cash accounts. As a result, THR has numerous daily transactions with controlled tax exempt entities, none of which fall within the scope of IRC Section 512(b)(13). A management fee is charged for the centralized services and reported on Form 990, Part VII, Section B as a professional services fee. Transactions with related tax exempt organizations falling within the meaning of centralized services as described above, are not listed on Schedule R, Part V, Line 2.
Part II	Texas Health Behavioral Health Hospital Corinth has applied for tax exempt status. The application is currently pending.
