CIEL FOUNDATION DIRECT CHARITABLE ACTIVITY EXPENSES

(NON ADMINISTRATIVE)

Permaculture Education & Food Donation Activity

We continued to make progress on many fronts in 2016. We rebuilt the greenhouse after the cover blew off in Jan., which allowed us to expand access to allow for backing in a truck and to improve flow-through ventilation. We also fenced in a nursery area to protect young plants from herbivores. The hugelkultur was extended and many more plants were introduced. We finished the topographic mapping of the site and began constructing a series of berms and swales to trap and direct water for use during the drier months of the growing season. Additionally, we initiated a project to construct a visual, wind and noise screen composed of native evergreens and nut-bearing trees, as well as nitrogen fixers. We added educational tags to many plants. Finally, we expanded our watering system to include 2 new lawn hydrants, greatly facilitating watering over the site.

We gave many tours in 2016 and hosted a series of workshops with students from the Bellingham Unitarian Fellowship, helping to educate them in land stewardship, permaculture, mason bees and basic gardening techniques. Also, we established an educational presence on Facebook for the site. We continued our work with Bruce Horowitz, working to increase our knowledge of permaculture. Ciel received its first small grant from the Bellingham Community Food Coop Farm Fund, with the goal of fencing in a larger portion of the site.

A productive growing season allowed us to donate healthy, organic food once again to the Bellingham Food Bank, increasing both the variety and quantity donated over the previous year.
