Total reinvested is the total of all reinvested dividends It does not include any cash dividends It is not a tax lot for the purposes of determining holding periods or cost basis The shares you receive each time you reinvest dividends become a separate tax lot.

Cost basis is the total purchase cost of the security, including reinvested dividends The cost basis may need to be adjusted for return of capital payments in order to determine the adjusted cost basis for tax reporting purposes

Unrealized (tax) gain or loss is the difference between the current value and the cost basis and would generally be your taxable gain or loss if the security was sold on this date The unrealized (tax) gain or loss may need to be adjusted for return of capital payments in order to determine the realized gain or loss for tax reporting purposes

Investment return is the current value minus the amount you invested It does not include shares that are not reflected on your statement, including shares that have been realized as either a gain or a loss It also does not include cash dividends that were not reinvested
