Grantmaker's Description of How Grants are Used	Community Benefit Shares are approved by the board annually. All other grants go through our Community Benefits department. They receive grant requests and approve them based on our grant requirement guidelines. The scholarship recipient must be a resident of the Norton Sound Region for a minimum of a year before they can receive an NSEDC Scholarship. Once they have established residency they must complete an application before the deadlines of June 30 for the fall semesters and December 30 for the spring semesters. A complete application includes the following: - Completed application - Two letters of recommendation - Letter of acceptance - Personal statement - An official transcript - Current photo. A student must be enrolled in a minimum of 12 credits for post secondary and a graduate student must be enrolled in a minimum of 9 credits each semester. In order to remain in good standing they must complete 12 or 9 credits respectively with at least a 2.0 GPA. Working students are those who are working in the Norton Sound Region. These students are funded based on the amount of credits they are taking. Because they are a working student, they do not need to take classes full-time and there is no deadline for those students. All of the guidelines except the deadline need to be met by the working students before they are funded.
