The Internal Revenue Service has granted an exemption from income taxes to the Organization under Section 501(c)5 of the Internal Revenue Code. Therefore, no provision has been made in the financial statements for income taxes, or related income tax assets and liabilities. FASB has provided guidance for how uncertain tax positions should be recognized, measured, disclosed and presented in the financial statements. This requires the evaluation of tax positions taken or expected to be taken in the course of preparing the entity's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained "when challenged" or "when examined" by the applicable taxing. For 2016, management has determined that there are no material uncertain income
