| Monitoring procedures (Part I, line 2) | Petfinder Foundation has the following procedure in place to ensure that grants funds are used in the proper way based on grant requirements 1) During the grant application process, applying organizations must agree to submit a final grant report on how the granted funds were used, how many pets were helped, what specifically the funds were spent on, etc This grant report must include documentation of expenditures to ensure that the funds were spent in the correct way 2) In the official grant award letter, which is mailed along with the grant check, grantees are notified that the funds are restricted to the purpose stated in their application It also states that cashing of the grant check constitutes acceptance of the grant terms and conditions listed in the letter The reporting requirement is stated again in each grant award letter 3) 60-90 days after receiving the grant, awarded groups are notified that their grant report and documentation is due Groups are given one week to complete this report After the reporting deadline is past, groups who have not complied are sent a second notice If they still do not comply, a third notice which indicates that if they do not submit their grant report, they will be required to return the granted funds and will not be eligible for future grants from the Petfinder Foundation |
