Part X, Line 2	UNCERTAIN TAX POSITIONS Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Union and recognize a tax liability (or asset) if the Union has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Union, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Union is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Union believes it is no longer subject to income tax examinations for years prior to 2013.
