Also complete this part for any additional information (See instructions)

Pt IV Sec B Ln 1 The applicable IRS regulations provide that the articles of organization of a Type II supporting organization that is "supervised or controlled in connection with" a supported organization described in Section 509(a)(1) or (a)(2) can designate by class or purpose one or more other beneficiary organizations described in Sections 509(a)(1) or (a)(2) with a closely related purpose or function so long as the class includes the commonly controlled supporting organization. Reg. Section 1.509(a)-4(d)(2). The articles of incorporation of Foundation for Research (the "Foundation") provide that it is organized and shall be operated exclusively for the benefit of (a) the Clayton Foundation for Research ("Clayton"); and (b) hospitals, medical and scientific schools and organizations which conduct or support medical and scientific research described in IRC Section 501(c)(3) and that are classified as other than private foundations under IRC Sections 509(a)(1) or (a)(2). Clayton is a tax-exempt medical research organization described in IRC Sections 170(b)(1)(A)(iii) and 509(a)(1) whose primary mission is to fund medical research for the purpose of discovering the cause, prevention and cure of diseases for the benefit of mankind. Article II of the Foundation's articles of incorporation provides more specifically that it is limited to supporting the activities of Clayton and medical and scientific research by members of the class described in clause (b) above.

Pt IV Sec C Ln 1 The Foundation does not have an overlapping majority of its governing board with the governing board of North Carolina State University and the governing board of the University of Texas Health Science Center at San Antonio, which are public universities that are within the class of other supported organizations that are designated by class or purpose rather than by name in the Foundation's articles of incorporation. The IRS regulations require that a Type II supporting organization must establish the common control relationship with one or more of the supported organizations. Reg. Sections 1.509(a)-4(d)(2). A majority of the Foundation's trustees also constitute a majority of the trustees of Clayton. The presence of this common supervision and control among their respective governing bodies ensures both that the Foundation will be responsive to the needs and requirements of Clayton and that the control and management of the Foundation is vested in the same persons that control and manage Clayton.

Pt IV Sec A Ln 5a A small grant was made to The University of Texas Health Science Center at San Antonio. (See Schedule I). This organization is within the class of supported organizations described in the Articles of Incorporation.

Pt V, Line 4

The Board of Trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original donor contribution as of the contribution date of the donor-restricted endowment funds. As a result of this interpretation the Foundation classifies as permanently restricted net assets the original value of the donated contribution to the permanent endowment. Accordingly, only the income, including net realized and unrealized gains, is to be used for the Foundation's activities, except where such assets must be distributed in order to maintain the Foundation's tax-exempt status.

Pt I Line 2

The Foundation for Research is limited to supporting activities of the Clayton Foundation for Research, a medical research organization described in Section 170(b)(A)(iii) and hospitals, medical and scientific schools and organizations which conduct or support medical or scientific research described in Section 501(c)(3) of the Internal Revenue Code and classified as other than private foundations under Sections 509(a)(1) or 509(a)(2) of the Code. The Foundation does not make any grants or loans to individuals.

Clayton Foundation for Research submits an annual budget which is approved by the Foundation's Board at the beginning of the year. As needs arise during the year this entity submits requests during the year for approved grant amounts.

The hospitals and medical and scientific schools submit a budget request to the Board of Trustees which is reviewed each year. If these budgets are for ongoing grants the grantee also includes a report on the progress of their research. Once these budgets are approved they are normally funded on a quarterly basis to the grantee. At the end of the year the grantee submits a report to the Foundation as to how the grant was utilized. In addition, the scientists frequently make reports to the Foundation at its board meetings, and/or the Foundation Trustees make on-site visits to the research institutions.

The Foundation occasionally makes small grants to qualifying public charities after confirming the grantee's exemption.

Part I, Line 4 – Independent Voting Members

Part VI, Line 1b – Independent Voting Members

The recommendation regarding independent members of the governing board of a charity is described and discussed in detail in the report entitled "Principles for Good Governance and Ethical Practice, A Guide for Charities and Foundations", Reference Edition, that was published in October 2007 by the Panel on the Nonprofit Sector. This panel was convened by Independent Sector and its recommendations have been cited with approval by the Internal Revenue Service. Such report concludes that the principle with respect to independent directors does not apply to various types of organizations, including supporting organizations such as the Foundation, as to which the requirements of IRC Section 509(a)(3) require common Board members. In this regard, Footnote 27 on page 23 expressly states as follows: "This principle [a substantial majority of the Board should be independent] does not apply to private foundations, medical research institutions.. ; supporting organizations or subsidiaries that are required by law...to include representatives of the supported organizations or sponsoring charities on their board .. [footnote listing continues with several other specific types of Section 501(c)(3) organizations] "

Part III, Line 1 - Briefly describe the organization's mission:

As a supporting organization to the Clayton Foundation for Research ("Clayton"), the organization's primary mission is to fund medical research for the purpose of discovering the cause, prevention and cure of diseases for the benefit of mankind. The secondary mission is to transfer the resulting medical research discoveries from the laboratory to the use of the general public by patenting and licensing such technology for development into drugs or other products for the use and benefit of mankind through Clayton's other supporting entities.
