THE CHILDREN COUNT FOUNDATION'S

GRANT MAKING POLICY

The following policy shall apply for purposes of the CHILDREN COUNT FOUNDATION (the "Corporation") making grants to entities:

1. Subject to the provisions set forth in this grant making policy, the Corporation's Board of Directors (the "Board") shall make all decisions as to grants to be made to any entity, including the number of such grants, the amount of each such grant, the manner of selection of recipients, the actual selection of recipients, and the terms and conditions of any such grant.

2. Corporation resources shall be used or applied only in furtherance of the Corporation's purposes set forth in Paragraph 3.1 of Article III of the Corporation's Articles of Incorporation, including but not limited to making grants to entities who conduct programs which primarily benefit children who are "at risk." Although the definition of at risk children is broad, with respect to the Corporation it is defined to include those children who are from financially disadvantaged backgrounds.

3. The Corporation shall make grants to a domestic entity only after verifying that the entity is either: (i) an organization which is exempt from federal income tax under Internal Revenue Code § 501(c)(3) and which is not a private foundation as defined in Internal Revenue Code § 509(a); or (ii) a governmental entity, in which case the grant must comply with Paragraph 2 of this Policy and also be made exclusively for public purposes.

4. The Corporation shall make grants to a foreign entity only after verifying that the entity either: (i) has a ruling of determination letter from the Internal Revenue Service that the organization is described in Section 501(c)(3) of the Code and that it is classified as a public charity within the meaning of Section 509(a)(1), (2) or (3) of the Code or as a private operating Corporation under Section 4942(j)(3) of the Code; or (ii) if the foreign organization does not have such a ruling or determination letter from the Internal Revenue Service, the Board shall make a reasonable judgment and the Corporation shall make a good faith determination that the foreign organization is an organization described in Section 501(c)(3) and Section 509(a)(1), (2) or (3) or Section 4942(j)(3) of the Code. The Board shall have exercised reasonable judgment that the foreign organization is described in Section 501(c)(3) (other than Section 509(a)(4)) and the Corporation shall have made a good faith determination if (a) a grant is not a transfer of assets pursuant to any liquidation, merger, redemption, recapitalization, or other adjustment, organization or reorganization described in Section 507(b)(2) of the Code and (b) the Corporation bases its reasonable judgment and good faith determination on a currently qualified affidavit that is prepared by the foreign organization for the Corporation and attested to by a principal officer of the foreign organization. The affidavit and supporting documents must be in English and comply with the provisions of Revenue Procedure 92-94, 1992-2 C.B. 507.

GRANT MAKING POLICY

STATEMENT B

Children Count Foundation Proposed Individual Grant Program Policy

Grants to individuals will be awarded on an objective and nondiscriminatory basis. No individual grants will be used for political, legislative, or other noncharitable activities. The grant award will be a "grant" within the meaning of IRC § 4945(d)(3) and will satisfy the requirements of IRC § 4945(g) in all respects. The grant constitutes a scholarship or fellowship grant which is excluded from gross income under IRC § 117(a), to the extent that it is used for tuition, books, and equipment required for educational courses. As provided by IRS Publication 578, Chapter VI, and relevant IRS regulations, the grant-making procedures will be as follows:

Grantee Class: Any individual who conducts programs which primarily benefit children who are "at risk." Specifically, the organization will make grants to individuals who further the education, cultural development, socialization and health of "needy children," defined as those children whose family incomes fall near or below the poverty line which the U.S. Department of Health and Human Services establishes. Relatives of members of the selection committee will not be eligible for such grants.

Selection Criteria: The selection criteria for the grant assistance will include, but not be limited to, submission of information demonstrating the efforts of the applicant or nominee to benefit at risk children by furthering the education, cultural development, socialization and health of such children. A recipient cannot be related to a member of the committee or to any "disqualified persons" in relationship to the Foundation.

Selection Committee: The selection committee is composed of the Foundation's Board of Directors. The Board makes all decisions as to grants to be made to any entity or individual, including the number of such grants, the amount of such grant, the manner of selection of recipients, and the terms and conditions of any such grant. Members of the selection committee will not be in a position to receive private benefit, directly or indirectly, if certain potential grantees are selected over others.

Progress Reports: Depending upon the scope of the grant assistance, the Foundation will collect progress reports and a final report from the grantee upon his or her completion of the grant project. If the grant assistance is used for study purposes, the Foundation will request academic information indicating that the student is making satisfactory progress in the study program (e.g., maintaining a particular grade-point average) and that the student is not on academic or disciplinary probation. Progress reports will be obtained and verified with the educational institution each semester. If the grant is used for travel purposes not overseen by an educational institution, the Foundation will require a report of activities and how the activities promote the purposes of the grant.

Report Follow-Up: If no report is filed by the grantee, or if the report indicates that the funds were not used in furtherance of the grant purpose, a member of the board of directors will investigate the grant. The Foundation will withhold further payments from the grantee and will

...take reasonable steps to recover grant funds until it has determined that the funds are being used or have been used for their exempt purpose.

Record Keeping: The Foundation will retain all records submitted by the grantees and their educational institutions. The Foundation will obtain and maintain in its file evidence that no recipient is related to the Foundation or to any members of the selection committee.
