Describe in Schedule O the process, if any, used by the organization to review this Form 990

The form 990 is created by the WTA Executive Director with support from staff and volunteers. It is then sent off our our CPA for review.

We are small non-profit with no donors currently requiring audited financials, thus we currently do not do annual audited reviews.

Once completed, it is send to the IRS and to our Board of Directors. It is reviewed during the annual board meetings.

Describe in Schedule O whether (and if so, how) the organization made its governing documents, conflict of interest policy

and financial statements available to the public during the tax year. The WTA's governing documents are available to the public

upon request. We also plan to create a section on our web site to make this more easily accessible. Finally, we are researching

non-profit information web sites to include our information with their documents.

Did the organization regularly and consistently monitor and enforce compliance with its policies including conflict of interest.

The WTA brings up its policies during our annual board meetings. We are a small non-profit so it does not usually take much time,

with all Board members either volunteering or accepting far less compensation than the market allows.

Did the process for determining compensation of the following persons include a review and approval by

independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision: CEO, Executive Director,

Key Staff, etc. The WTA is extremely frugal with its expenditure of funds. This is for any compensations or any payments made.

For example the WTA's Executive Director has 15 years of non-profit experience and 30 years of industry experience, yet accepted a 40%
