Part IX, Line 4 - The Cooperative has determined that the margin allocated to members best reflects the Benefits Paid to or for Members

arising from the clarification of the instructions that patronage dividends paid by section 501(c)(12) organizations are to be reported here. This methodology was chosen because it makes our reporting consistent with how it would be reported if we were a taxable cooperative in that the amount allocated to members would be a deduction from income. This arises from our legal obligation from our Bylaw 7.5 stating that "Net savings of the Cooperative shall be appropriated among and credited to the patrons of the Cooperative in proportion to the dollar amounts of their patronage of the Cooperative during the fiscal year involved."

Part XI, Line 9 - The other changes in net assets or fund balances results from the following items:
