Part VII	ompensation of Officers, Directors,Trustees, Key Employees, Highest Compensated Employees, and Independent Contractors									
	Check if Schedule O contains a response or note to any line in this Part VII									
Section	A. Officers, Directors, Trustees, Key Employees, and Highest Compensated Employees									
La Complete	e this table for all persons required to be listed. Report compensation for the calendar year ending with or within the organization's	tax								

year • List all of the organization's current officers, directors, trustees (whether individuals or organizations), regardless of amount of compensation Enter -0- in columns (D), (E), and (F) if no compensation was paid

• List all of the organization's current key employees, if any See instructions for definition of "key employee" • List the organization's five current highest compensated employees (other than an officer, director, trustee or key employee)

who received reportable compensation (Box 5 of Form W-2 and/or Box 7 of Form 1099-MISC) of more than \$100,000 from the organization and any related organizations

Check this box if neither the organization nor any related organization compensated any current officer, director, or trustee

(B)

(A)

• List all of the organization's former officers, key employees, or highest compensated employees who received more than \$100,000 of reportable compensation from the organization and any related organizations

• List all of the organization's former directors or trustees that received, in the capacity as a former director or trustee of the organization, more than \$10,000 of reportable compensation from the organization and any related organizations

List persons in the following order individual trustees or directors, institutional trustees, officers, key employees, highest compensated employees, and former such persons

(C)

(D)

Name and Title Average Position (do not check more Reportable Reportable Estimated hours per than one box, unless person compensation compensation amount of other week (list is both an officer and a from the from related compensation any hours director/trustee) organization (Worganizations from the for related 2/1099-MISC) (W- 2/1099organization and Highest compensated employee Individual trustee or director Former organizations MISC) related Institutional Trustee below dotted employee organizations line) See Additional Data Table

SCHEDULE H, PART VI, LINE 3		
SCHEDULE H, PART VI, LINE 4	Community Information PVHMC is dedicated to meeting the health care demands of the growing populations of Los Angeles and San Bernardino counties. Our Primary Service Area is defined as the cities of Pomona, Claremont, Chino, Chino Hills, La Verne, Montclair, Ontario, Rancho Cucamonga, Alta Loma, Upland and San Dimas and make up a population of 840,789 according to the 2010 United States Census. According to the Office of Statewide Health and Planning 2012 data, Pomona East and South are designated as a Medically Underserved Area, specifically as an area with a Primary Care shortage. As a private community safety net hospital, also with the designation as a disproportionate share hospital ("DSH"), we care for a greater population of low-income, medically vulnerable patients. They often require an increased need of accessible, high quality, and cost-effective health care services. We deliver care to all patients in our ED, with or without insurance. Based on the 2010 Census, the ethnic diversity of Pomona is such that 48.0% are White, 70.5% are Hispanic or Latino, 3% are Black or African American, 1.2% are American Indian, 8.5% are Asian, 0.2% are Hawaiian or Pacific Islander, 30.3% identify as Other, and 4.5% identify as two or more races. Among this population, According to the 2006-2010 American Community Survey 5 year estimates, retrieved from the California Department of Finance, Pomonas Median household income is \$50,497, with 17.2% of families living below the Federal Poverty Level Educational at tainment data was also retrieved from the 2006-2010 ACS Survey, showing 21.1% of Pomona re sidents over the age of 25 have less than a 9th grade education level, 15.7% have complete diess than 12th grade, 26.0% have a high school diploma, 6.1% have an Associates degree, 10.2% have a Bachelors degree, and 4.0% have earned a Graduate or Professional degree. Several other hospitals serve our community. These hospitals are Kaiser Foundation Hospital of Fontana, San Antonio Community Hospital, Chino Valley Medical Cen

Form 990 Part V Section C Supplemental Information for Part V, Section B. Section C. Supplemental Information for Part V, Section B. Provide descriptions required for Part V, Section B, lines 2, 3j, 5, 6a, 6b, 7d, 11, 13b, 13h, 15e, 16j, 18e, 19e, 20e, 21c, 21d, 23, and 24. If applicable, provide separate descriptions for each hospital facility in a facility reporting group, designated by facility reporting group letter and hospital facility line number from Part V, Section A ("A, 1," "A, 4," "B, 2," "B, 3," etc.) and name of hospital facility. Form and Line Reference Explanation SCHEDULE H, PART V, SECTION B, LINE 5 POMONA VALLEY HOSPITAL MEDICAL CENTER CONDUCTED IT'S CHNA WITH CALIFORNIA STATE UNIVERSITY SAN BERNARDINO'S INSTITUTE OF APPLIED RESEARCH SCHEDULE H, PART V, SECTION B, LINE 6B SCHEDULE H, PART V, SECTION CHNA URL https://www.pvhmc.org/#Community\_Outreach B, LINE 7A SCHEDULE H, PART V, SECTION IMPLEMENTATION STRATEGY URL https://www.pvhmc.org/#Community\_Outreach B, LINE 10A Significant health needs identified in our 2015 community needs assessment are health educ ation classes and support groups, diabetes, obesity, high blood pressure, Alzheimers and d ementia, access to primary and specialty care, care coordination, transportation, promotor as, mental health services, and better promotion of what PVHMC already offers to the community. SCHEDULE H, PART V, SECTION B, LINE 11 nity PVHMC prioritized these needs into three overarching themes as a framework for PVHMC to organize, maintain, and implement community benefit programs and services. These prior itized health needs are chronic disease management, health education and support groups, a nd access to care. The community needs assessment and health needs priorities were adopted by our governing Board of Directors on May 7, 2015. Community health needs were determine d to be significant through evaluation of primary and secondary data, whereby those identified health needs were prioritized based upon (1) community respondents and key informant sidentified the need to be significant, or largely requested specific services that they would like to see Pomona Valley Hospital Medical Center provide in the community (2) feasi bility of providing interventions for the unmet need identified in the community, in such that Pomona Valley Hospital Medical Center currently has, or has the current means of deve that Pomona Valley Hospital Medical Center currently has, or has the current means of deve loping the resources to meet the need, and (3) alignment between the identified health need d and Pomona Valley Hospital Medical Centers mission, vision, and strategic plan. In support of PVHMC's Community Health Needs Assessment (CHNA), and ongoing Community Benefit Plan initiatives, Pomona Valley Hospital Medical Centers supporting Implementation Strategy documents the priority health needs for which PVHMC will address in the community and translates our CHNA data and research into actual strategies and objectives that can be carried out to improve health outcomes. PVHMC determined a broad, flexible approach was best as strategies and programs for community benefit are budgeted annually and may be adjusted during this 12-month period of time. Accordingly, the Implementation Strategy will be continuously monitored for progress in addressing our community's health needs and will serve as a tool around which our community benefit programs will be tailored. PVHMC is addressing the needs of Chronic Disease Management through the following strategies. Providing glucose. e needs of Chronic Disease Management through the following strategies: Providing glucos screenings at health fairs and events (local and on-campus), Providing free education classes to promote cardiovascular health and risk reduction, Offering free blood pressure screenings at health fairs and events (local and on-campus), Publishing and distributing free information on cardiovascular health, diabetes, cancer treatment, and available resources to address these conditions, Providing care coordination services that seek to assure pati ents are positioned for a safe discharge home, Providing Cancer Care Patient Coordinators and Social Services to guide patients with making appointments, receiving financial assist ance, and enrolling in support groups, providing free cancer care support groups and welln ess classes with emphasis on the social, emotional, nutritional, and physical aspects of c hronic disease. The following programs and services are provided by PVHMC, specifically de signated to address Priority Need 1, Chronic Disease Management. Stead Heart and Vascular Center lectures and classes for cardiovascular health, Saving Strokes Event, Community blo od pressure screenings, Diabetic Education Fair (on-campus), Nutrition education, The Robert and Beverly Lewis Family Cancer Care Center education, wellness classes, workshops, for rt and Beverly Lewis Family Cancer Care Center education, wellness classes, workshops, for ums, and events, Cancer Program Annual publication, Stead Heart and Vascular Center public ations PVHMC is addressing the community needs for Health Education and Support Services through the following strategies—Providing free or low-cost health education classes, well ness support groups, and other health improvement services both at PVHMC and out in a community setting, Collaborating with community partners and participate in community-wide initiatives to improve the health of the community, Increasing awareness of available classes offered at PVHMC through reaching out directly to the community and other organizations through written and verbal communication and publications, Developing education, resources, hrough written and verbal communication and publications, Developing education, resources, and/or classes that promotes healthy eating, disease prevention, and weight management, P articipating and hosting speaking engagements to communicate to the community about health and services in the community, Providing comprehensive, culturally sensitive health forum s, support groups, and workshops that provide hands-on healthy lifestyle support to the community The following programs and services provided by PVHMC are specifically designated to address Priority Need 2 Health Education and Support Services. The Robert and Beverly L ewis Family Cancer Care Center wellness classes, support groups, early detection and prevention lectures, and community forums, Womens and Childrens Services health and education classes, Stead Heart and Vascular Center Risk Reduction Class, cardiac education, Cancer Program Annual Report, Health Fairs/Community Events, Hands-Only CPR, Sleep Disorders Meetings, Nutrition education, Hospital tours in English, Spanish, and Chinese, Inpatient smoking cessation education, Inpatient asthma education and "Every 15 minutes" drunk driving education PVHMC is addressing the community needs for Priority Area 3, Access to Care, through the following strategies: Providing on-site enrollment assistance and for appropriate health insurance plans, participation in the hospital presumptive eligibility program, Increasing community awareness about health services offered, wellness classes, and support gr easing community awareness about health services offered, wellness classes, and support groups, Providing discharge transportation for vulnerable patients who are otherwise unable to get home, Providing free, low-cost or reduced-cost health services, medications, and medical devices, Providing free or reduced cost screenings and immunizations at local health dical devices, Providing free or reduced cost screenings and immunizations at local health fairs, Collaborating with primary care providers and clinics to improve access to prevent ative and specialty care, Working closely with PVHMC's Family Medicine Residency Program t hrough UCLA to increase the number of primary care physicians in the region, expanding the emergency department to increase PVHMC's capacity to care for patients needing emergency treatment, trauma services, surgery, and primary care Programs and services provided by PVHMC, specifically designated to address Priority Need 3 Access to Care are PVHMC Family Medicine Residency Program, Sports Injury Evening Clinic providing free and low cost sport sinjury examinations and x-rays, Enrollment assistance in appropriate health plans for our patients who are admitted without insurance, Discharge transportation services for our vulnerable patients, ambulance transports, Free and low cost medication assistance, Free and low cost immunizations provided in the community Of the health needs identified through our needs assessment, PVHMC will not address the mental health, Alzheimer's and Dementia, "Promotorastransportation needs in our implementation strategy PVHMC evaluated its capacity to serve the mental health, Alzheimers and Dementia services, "Promotorastransportation needs of our community PVHMC does not have a licensed psychiatric facility, or the current capacity, to provide inpatient and outpatient mental health treatment services. While ent capacity, to provide inpatient and outpatient mental health treatment services. While PVHMC has some services in place to assist with mental health and substance abuse, such as PVHMC has some services in place to assist with mental health and substance abuse, such as emergent psychiatric consultations, mental health referrals, and smoking cessation educat ion, it was determined that this critical need is best served by others. PVHMC does not currently have trained "Promotoras" staff to perform peer-to-peer education out in the community PVHMC does not currently have in place, or the current capacity to develop an Alzhei mers and Dementia services program, however, PVHMC does seek to continue to address this need indirectly through our social services and care coordination efforts with local community-based organizations. Additionally, while PVHMC does have in place some transportation services to assist patients, it was determined that this need at a community-wide level is best served by others. Accordingly, PVHMC will continue to support Tri-City Mental Health, Prototypes, the Department of Mental Health, the YWCA of the San Gabriel and Inland Communities, Community Senior Services, and other community based organizations that directly provide these services to address these needs. We are strongly committed to our relationsh ips with these organizations and continuously seek partnerships and opportunities to directly address these needs in the future. tly address these needs in the future
