990 Schedule H, Supplemental Information

Form and Line Reference	Explanation
Schedule H, Part V Section D	
Schedule H, Part V, Section B Disclosure Pursuant to Rev Proc 2015-21	The following information is provided pursuant to Section 7 of Revenue Procedure 2015-21 to disclose certain noncompliance with the requirements of Internal Revenue Code section 501(r). The Revenue Procedure provides for such noncompliance to be reported on the Form 990 filed for the year such noncompliance was discovered (Form 990 for 2017, due May 15, 2018). However, in the interest of timeliness and transparency, Cottage Health is making this disclosure of noncompliance on its Form 990 for 2016 and will reference the disclosure on the 2017 return. SECTION 7 01(1) Internal Revenue Code (Code) sections 501(r)(4) and (r)(6) require a hospital facility to establish a financial assistance policy ("FAP") and to implement processes and procedures in connection with the FAP and with the hospital facility's collections activities. Cottage Health discovered certain errors with respect to its FAP and its collections activities during a review conducted in 2017 by new financial management personnel. The errors apply to years 2011 through 2016. The errors occurred at Santa Barbara Cottage Hospital, Goleta Valley Cottage Hospital, and Santa Ynez Valley Cottage Hospital and resulted from a lack of clarity of the 501(r) requirements at the time the policy was implemented in 2011. Due to its generous financial assistance and discounting practices for patients with low incomes that far exceed the minimum requirements stipulated under section 501(r) and its implementing regulations, Cottage Health has not yet been able to identify any individuals who were affected by the noncompliance, though it will continue to take steps to do so (as further described below). Cottage Health's noncompliance pursuant to Code sections 501(r)(4) and 501(r)(6) included the following: 1. The FAP that Cottage Health established and implemented throughout the time period specified above did not satisfy the "widely publicized" requirement at 26 C.F.R. 1.501(r)-4(b)(1)(ii), did not include certain elements required by 26 C.F.R. 1.501(r)-4(b)(1)(iii), and did not include the methodology used to calculate amounts generally billed to individuals who have insurance covering emergency or other medically necessary care ("AGB") under 26 C.F.R. 1.501(r)-4(b)(2)(i)(C). As a result of not complying with all requirements under 26 C.F.R. 1.501(r)-4, certain individuals who may have otherwise qualified for financial assistance under Cottage Health's FAP may not have received proper notification regarding the availability of such assistance. 2. Cottage Health did not determine AGB pursuant to 26 C.F.R. 1.501(r)-5(b)(3). Cottage Health engaged in extraordinary collection actions ("ECA") to obtain payment for care prior to making reasonable efforts to determine FAP eligibility as required by 26 C.F.R. 1.501(r)-6(c). SECTION 7 01(2) Cottage Health's noncompliance with certain provisions of Code sections 501(r)(4), (r)(5) and (r)(6) was inadvertent and did not rise to the level of willful or egregious conduct. Promptly upon discovery of the noncompliance, Cottage Health exercised reasonable diligence to identify the full scope of noncompliance and promptly took corrective action from April through October 2017. Cottage Health's corrective actions throughout this period included: 1. For each Cottage Health hospital facility, Cottage Health substantially rewrote its FAP, Plain Language Summary, FAP signage and FAP Application, ensured compliance with the "widely publicized" requirement at 26 C.F.R. 1.501(r)-4(b)(1)(ii), verified that the FAP contained all of the elements required at 26 C.F.R. 1.501(r)-4(b)(1)(iii) and the methodology used to calculate AGB required under 26 C.F.R. 1.501(r)-4(b)(2)(i)(C), drafted new language for its Patient Billing Statement, and updated its website so that all are compliant with the documentation and operational requirements at 26 C.F.R. 1.501(r)-4, (r)-5, and (r)-6. In addition, Cottage Health is undertaking additional public outreach to inform affected individuals that the FAP is now available on Cottage Health's website at https://www.cottagehealth.org/billing/financial-assistance/ by sending an email to individuals whose email addresses were on record with one of Cottage Health's hospital facilities. 2. Cottage Health calculated its AGB for medical care provided at each hospital facility, in accordance with 26 C.F.R. 1.501(r)-5(b), and instituted policies and procedures to assure that such information is readily obtainable. During the timeframe at issue, Cottage Health had a generous charity care and financial assistance policy. Patients eligible for assistance were those with family incomes at or below 405% of the federal poverty level ("FPL"), with the lowest discount being 45% off the amount for which the patient was personally responsible, and the highest discount being 100% (for all patients at or below 350% of FPL). To the extent any individual submitted a complete FAP Application during the period at issue, Cottage Health processed the Application and provided financial assistance commensurate with the patient's qualifications under the FAP. Cottage Health will continue to comply with the safe harbor requirements at 26 C.F.R. 1.501(r)-5(d) by accepting completed FAP applications and refunding any amount the individual paid for the care that exceeds the amount s/he is determined to be personally responsible for paying, unless such excess amount is less than \$5.00. Additionally, to the extent feasible, Cottage Health is assessing how many, if any, individuals were affected by Cottage Health's noncompliance with the requirements at 26 C.F.R. 1.501(r)-5, and will take corrective action as appropriate to restore affected individuals to the position they would have been in had the noncompliance not occurred. Cottage Health will provide additional information regarding these actions, including, if appropriate, an explanation as to why restoration of one or more individuals was not reasonably feasible, on its Form 990 for tax year 2017, as appropriate. 3. Cottage Health revised its policies and procedures to ensure that it makes reasonable efforts to determine FAP eligibility in accordance with the requirements at 26 C.F.R. 1.501(r)-6(c). Furthermore, Cottage Health has discontinued the use of any ECAs. Additionally, Cottage Health currently is assessing how many individuals were affected by Cottage Health's noncompliance with the requirements at 26 C.F.R. 1.501(r)-6 not to engage in ECAs prior to making reasonable efforts to determine FAP eligibility, and will take corrective action, as appropriate and to the extent reasonably feasible, to restore affected individuals to the position they would have been in had the noncompliance not occurred. Cottage Health will provide additional information regarding these actions, including, if appropriate, an explanation as to why restoration of one or more individuals was not reasonably feasible, on its Form 990 for tax year 2017, as appropriate. 3. Cottage Health revised or newly established practices and procedures for all facilities to minimize the likelihood of recurring noncompliance and to facilitate the prompt identification and correction of any failures that do occur. Cottage Health discontinued the use of any ECAs as of April 2017. Cottage Health revised its FAP notification on Patient Billing Statements in August 2017 to include additional information regarding the availability of financial assistance. In October 2017, Cottage Health increased the population of patients who qualify for financial assistance from 405% FPL to 445% FPL, which further expands the number of patients who will be FAP-eligible.

Schedule H, Part III, Line 2 Bad debt expense - methodology used to estimate amount	Patient service revenue, net of contractual allowances and discounts, is reduced by the provision for bad debts, and accounts receivable is reduced by an allowance for uncollectible accounts. The hospital establishes an allowance for uncollectible accounts based on many factors, including payer mix, age of receivables, historical cash collection experience, and other relevant information. A portion of the hospital's uninsured patients will be unable or unwilling to pay for their health services; a portion of the hospital's insured patients will be unable or unwilling to pay for co-payments and deductibles. If these individuals do not qualify for financial assistance, the hospital records a provision for bad debts related to these insured and uninsured patients in the period the services are provided. The hospital writes down the expected reimbursement after reasonable collection efforts have been exhausted.

Schedule H, Part V, Section B, Line 5 Facility , 1	Facility , 1 - GOLETA VALLEY COTTAGE HOSPITAL As part of this Community Health Needs Assessment, a telephone survey was done with approximately 2500 community members and a listening tour with more than 230 individuals via 20 focus groups conducted from June through August 2016. The focus group participants included public health officials, health providers, nonprofit workers, Cottage Health employees, government leaders and business owners. In addition, existing health and demographic data already collected for the County and State of California was utilized as well as data collected from prior Community Health Needs Assessments. Potential focus group participants were chosen because of their ability to identify primary concerns of the populations that they represent or with whom they work, as well as of the community overall. Focus group candidates were first contacted by letter or email to request their participation. Follow-up phone calls were then made to ascertain whether or not they would be able to attend. Confirmation calls were placed or e-mails sent the day before the groups were scheduled to ensure a reasonable turnout. Through this process, input was gathered from representatives of local government officials, public health, as well as several individuals whose organizations work with low-income, minority (including Latino/Mixteco, Native American, Asian, and African American), or other medically underserved populations (specifically, persons who are young adults, elderly, veterans, disabled, lesbian/gay/bisexual/transgender [LGBT], homeless, mentally ill, undocumented, uninsured/underinsured, or receive Medi-Cal/Medicare). Final participation included representatives of the following organizations: the Santa Barbara County Education Office, Santa Barbara Unified School District, Goleta Union School District, Santa Barbara County Public Health Department, Santa Barbara County Emergency Medical Services Agency, Santa Barbara County Fire Department, Santa Barbara County and Metropolitan Transit District, Santa Ynez Valley Transit, the County Board of Supervisors, Santa Barbara Police Department, City of Solvang, Santa Barbara, Santa Ynez and Solvang Chambers of Commerce, CenCal Health, Community Action Commission, Foodbank of Santa Barbara County, Girls Inc., Alzheimer's Association, Arthritis Foundation, CALM, Domestic Violence Solutions, Juvenile Diabetes Research Foundation, Mental Wellness Center, New Beginnings Counseling Center, Visiting Nurse and Hospice Care, Carpinteria's Children's Project, Central Coast Collaborative on Homelessness, Family Service Agency, Habitat for Humanity, First 5 of Santa Barbara County, Immigrant Hope, Just Communities, Pacific Pride Foundation, People's Self-Help Housing, Safe Parking Program, Meals on Wheels, Santa Barbara Rape Crisis Center, United Way, Alisal Ranch, and numerous local clergy.
